COUNTY FUNDS TOP DEBTS BY OVER \$50,000

Adams county, if it had the opportunity, could pay off all standing debt today and have a balance left for next year.

That was revealed in the annual financial report for 1942 made by the county auditors for the state department of Internal Affairs and filed at the court house, today.

The report shows a balance at the end of the year of \$161,071.02 while the county debt is \$108,254.82. That debt, made some years ago to build needed roads and bridges in the county, cannot be completely paid off until 1950, under provisions of the bonds, county officials said. The county paid \$9,000 on the debt during the past year.

The \$161,071.02 balance is the highest in the history of the county, it is believed. One of the auditors, who has served for the past 16 years in that capacity said it was the largest balance since he has been engaged in auditing the county's books.

Balance Climbs in '42

The report, however, is not the county audit which will be completed either the end of this week, or early next week, the auditors pointed out. The annual audit when completed must be brought before the court for approval.

The report showed a balance of \$108,510.90 at the beginning of this past year, with \$61,316.64 of that being in the general fund; \$16,446.71 in the sinking fund, and \$30,747.55 in other funds.

Receipts Listed

During 1942 a total of \$109,071.15 was collected in taxes. Fines and forfeits totaled \$6,203.82. Interest and rent income was \$298.47; Grants and gifts, \$66,602.27; Departmental earnings, \$1,510.81 and other revenue, \$916.30. The total revenue was \$184,603.82. The total amount on hand, including year's income and balance was \$293,114.72.

Expenditures included, Administrative, \$45,130.99; judicial, \$22,168.92; corrections, \$20,849.70; charities, \$5,028.46; highways, \$8,461.32; miscellaneous, \$8,912.77 and interest and state tax, \$2,587.

Election Costs

Non-governmental expenditures included, principal paid on indebtedness, \$9,000; grants of liquid fuel tax to townships and boroughs, \$590, and refunds, \$8,590.

The total expenditures were \$132,043.70.

The balance as of January 5, according to the report, is divided into general fund, \$75,524.84; sinking fund, \$16,745.18 and liquid fund, \$68,801.

The reports of the various activities of the county show that the court house cost \$4,824.68 for maintenance and repair while registrations cost almost half as much as

MRS. H. O. SIPE DIES SUDDENLY

Mrs. Ruth E. Sipe, 36, wife of the Rev. Harold O. Sipe, died at her home in the Thomas apartments, Biglerville, Wednesday evening at 10:30 o'clock from a complication of diseases. She became ill on Monday.

The deceased was born in Craighead, Cumberland county, a daughter of the late Victor Preston Blemmer and Mrs. Mary (Brady) Blemmer, of near Bolling Springs, and had lived in Biglerville since 1937. She was married to the Rev. Mr. Sipe on June 10, 1937.

Mrs. Sipe was very active in church work, assisting her husband with his duties as pastor of the Biglerville United Brethren church. She was a member of the Mt. Zion United Brethren church, Mt. Zion.

In addition to her husband and mother she is survived by one brother, Frank Blemmer, and one sister, Mrs. Earl Myers, both of Craighead. One niece, Miss Jean Blemmer, and one nephew, Edward Blemmer, both of Craighead, also survive.

Funeral services Sunday at 2:00 p. m. at the United Brethren church, Biglerville, with the Rev. George Snyder, Mt. Tabor, officiating, assisted by Conference Superintendent Dr. John H. Ness, York and the Rev. George A. Heiss, York. Interment in Springville cemetery near Bolling Springs. Friends may call at the Bender funeral home Saturday after 7 p. m. The body will lie in state at the church from 1 p. m. Sunday until time of funeral.

Double Trouble For Local Resident

Howard E. Leatherman, South Washington street, found today that trouble often comes double.

Leatherman was placed in the county jail Wednesday on a court process by Sheriff Daniel J. Wolff. This morning Chief of Police Glenn Guise visited Leatherman in his cell to serve a warrant on him in a desertion and non-support case brought against him by his wife, Evelyn C. Leatherman. The desertion and non-support charge was laid before Justice of the Peace Robert P. Snyder.

CONFUSION IN BLACKOUT TEST ON WEDNESDAY

Adams county underwent a 35-minute blackout Wednesday night with "every section reporting the test 'about 90 per cent complete'." There were some who became confused by the four signals used to signify various phases of the blackout.

One defense leader put the results in golf phraseology by saying that the county was "about par for the course."

New District

Greenstone was taken into the county control district just "under the wire," with Judge W. C. Sheely and Kenneth P. Hull, of the county council, completing the set-up there and returning home only 15 minutes before the first alarm. Earl Shindler was named head of the air defense set-up in Greenstone. Residents there had previously established a defense council working out of Franklin county. The entire set-up was transferred to Adams county Wednesday night.

Defense officials got their first warning of the raid when the yellow signal was given at 8:45 p. m. The blue, which started the blackout for homes and streets of the county came at 8:55. The red, stopping all pedestrian and auto traffic, started at 9:10 p. m. The second blue permitting pedestrians and auto traffic to move, but still calling for blackout of homes and streets began at 9:30 p. m. The all clear, or white signal was given at 9:30 p. m.

Some Confusion

Some excitement was provided when some air raid wardens began allowing cars to drive on low beam between the blue and red, while others insisted that the cars could use dimmers only. County council members pointed out that the regulation for car traffic between blue and red signals permits cars to drive on low beam.

There were no "incidents" staged in Gettysburg, but throughout the county firemen for the first time established "extra fire houses" at which fire trucks were placed during the raid. In order to prevent one bomb from possibly wiping out all fire protection in a given town, the firemen drove all trucks but one to some other section of their towns for the duration of the raid. The trucks were fully manned and were parked near a phone so they could be called immediately to any fire.

In Gettysburg a truck was parked near the Hotel Gettysburg, another near Dr. Walter S. Mountain's home on West Broadway and a third at the Meade school. The fourth was kept at the engine house.

25 DEGREES AT MIDNIGHT

It wasn't really cold Wednesday night—that is it was not as cold as it really can get.

The Arendtsville laboratory, reporting a minimum temperature of 25 degrees at midnight, explained that it has been as cold as 22 degrees on April 26 in the past few years and that it was down to 21 on April 7 and 22 on April 4.

No Break In Sight

Pittsburg, April 15 (AP)—Little prospect of a break in the unseasonal cold spell was held by the weather bureau today as Pittsburg had its coldest April 15 on record.

The mercury fell to 20, three degrees below the previous low for this date in 1896. In outlying districts 18 was reported. The forecast called for continued cold today with a low of 25 expected tonight.

Roads continued slippery, the result of a thin ice left by snow flurries last night.

MRS. COLEMAN NEW HEAD OF WOMAN'S CLUB

Mrs. J. Walter Coleman was elected president of the Woman's club of Gettysburg, succeeding Mrs. A. H. Barr, at a regular meeting of the organization Wednesday afternoon at the "Y" building.

At the same session the clubwomen decided to telegraph to State Senator Paul M. Cridder and Assemblyman Francis Worley their stand against any legislation which will interfere with the operation of the merit system in public office in this state.

Dr. William Starr, member of the faculty of Gettysburg college, was the guest speaker. He told of a nine-week visit he made in Mexico last summer.

Install in May

The selection of the staff of new officers followed the report of the nominating committee which was given by Mrs. S. F. Snyder, its chairman.

The complete list of new officers, headed by Mrs. Coleman as president, follows: Vice president, Mrs. Henry M. Scharf; recording secretary, Mrs. Henry T. Bream; corresponding secretary, Mrs. J. I. Burgoon, and treasurer, Mrs. Howard S. Fox.

The new leaders will be installed at the annual May luncheon of the club.

Select Delegates

Mrs. Barr read an announcement concerning the annual sessions of the State Federation of Women's Clubs to be held in the Penn-Harris hotel at Harrisburg on May 18 and 19. Mrs. Coleman, as president-elect, was designated as one delegate. The other will be, the new program committee chairman, who has not yet been announced. Mrs. Barr and Mrs. Scharf are the alternate delegates.

The club voted to buy \$50 worth of U. S. War stamps and donated \$3 to the Public Charities Association of Pennsylvania.

In the telegram to the two local state legislators, the ladies expressed their opposition "to all legislation interfering with the operation of the merit system for all appointments to public office" and stated the club's special concern that appointments made under the present parole law be made by the Civil Service commission.

Mexican Art Display

Mrs. Fox read an article from the current issue of The Reader's Digest on Thomas Jefferson and then Mrs. Frank Kramer introduced Doctor Starr. Speaking of personal experiences during his trip to Mexico last summer, the college professor described artists' organizations in Mexico, labor unions there, a meeting of Russian sympathizers he attended on the date Hitler invaded Russia, anti-Nazi refugees in Mexico.

26 CHICKS DIE IN FIRE TODAY

The Gettysburg fire company was called to three fires this morning within three-quarters of an hour.

The first fire was at Gale Miller's farm, between the Hunterstown road and the Lincoln highway at 9:30 a. m. A brooder house burned with 26 chicks destroyed in the fire. About \$500 damage was caused by the flames which threatened the Miller home.

When the firemen returned to town they were called immediately to the home of Mrs. Emory Zepp, East Middle street, to extinguish a chimney fire.

While engaged in fighting the fire at the Zepp home, the firemen were asked to go a half block down East Middle street to put out another chimney fire at the home of Lawrence Fidler.

Bomb Examination School To Be Held

The Gettysburg Council of Defense has announced that a bomb examination and demolition school will be held April 22 at 7 p. m. in the science hall at Gettysburg college.

The school will be open to all wardens and auxiliary police who have not had the course, the third in a series of studies being held for the men. Dr. John Baxter, of the college faculty will act as instructor.

Firemen Receive \$70 In Donations

Donations totaling \$70 were received by the Gettysburg firemen at their meeting in the engine house Wednesday evening. All of the contributions were given by individuals. The largest sum, \$40, was given by Jacob Stock. Others included Mrs. Cora Berkey and Herman Mertz, \$10; Joseph Weiner, \$5 and Edith Ditchburn, \$5.

Kenneth Little was granted a leave of absence. He is employed at a defense plant in a nearby city. Prize books for the annual festival of the firemen were distributed. Treasurer J. E. Codori presided at the meeting in the absence of President James B. Aumen and vice president Donald C. Stalmsmith, both confined to their homes by illness.

COUNTIANS ADD \$21,168 IN WAR BONDS IN APRIL

Although Adams countians were well aware that they would be asked to purchase \$2,318,000 worth of war bonds during the Second War Loan campaign from April 12 to May 1, they purchased \$21,168 worth of Series "E" bonds during the first week of April, Edmund W. Thomas, Chairman of the county committee, was informed today by the Third Federal Reserve District.

"This is commendable," said Mr. Thomas. "It proves again that the residents of Adams county are supporting the war effort to the fullest extent. I feel confident that they will respond in like measure to the appeal for the Second War Loan."

WILL OBSERVE PALM SUNDAY

St. Mark's Evangelical Reformed church, Baltimore pike, will celebrate Palm Sunday with a special service at 9 a. m. The choir will sing "Jerusalem" and William R. Ogden will play a trumpet solo, "The Palms." There will be a renewal of the confirmation vows by members of the congregation and reception of new members. All former members of the church who were confirmed there have been invited to attend the service.

A number of new gifts which have recently been presented to the church will be dedicated. They include: Green altar vestments presented by the Ladies' Aid society; altar desk and ritable presented by Samuel Stull; a napkin for the communion service presented by Mrs. Milton Snyder and a lecture book marker. The church will be decorated with palms and daffodils.

During Holy Week the preparatory service for Holy Communion will be held Wednesday evening at 7:30 o'clock. There will be a recital of the Passion story illustrated by pictures of famous paintings. Holy Communion will be celebrated on Easter Sunday at 9 a. m.

Spotter Staff Now Numbers 250

The fingerprinting and filling out of questionnaires by 15 additional spotters Wednesday evening brought the number of spotters for the local aircraft observation post to 250, it was announced today.

Chief of Police Glenn Guise was in charge of the fingerprinting conducted at the police office in the engine house.

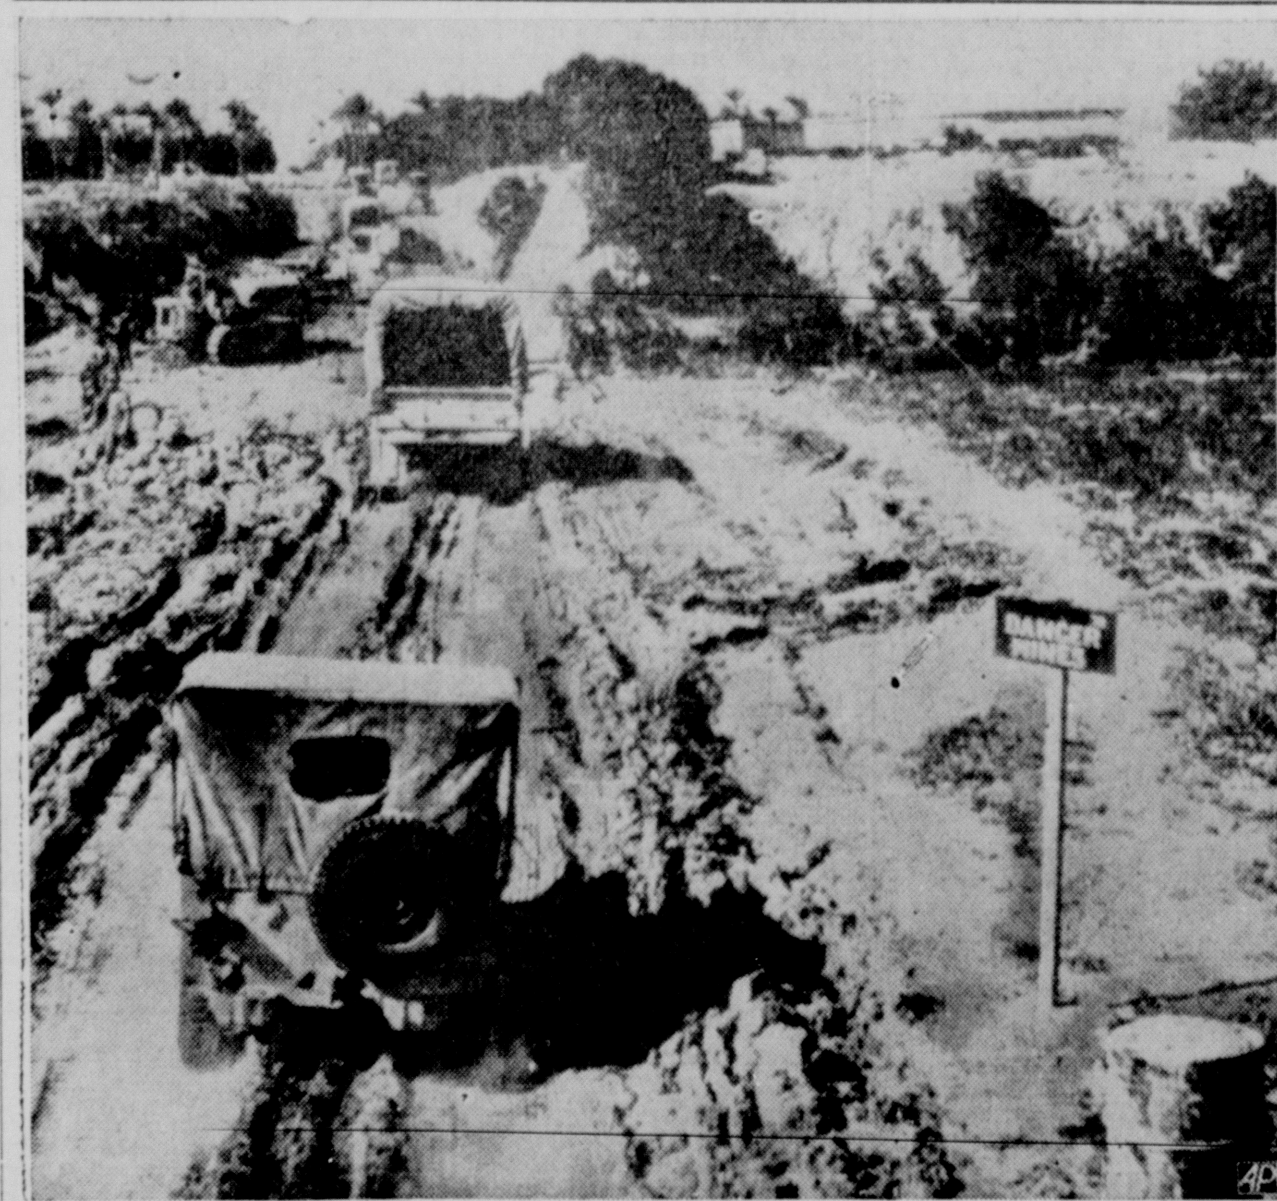

FARMERS' MEETING

Dr. M. F. Dickinson, Little Rock, Arkansas, a director of the Farmers Educational and Cooperative Union of America, was the speaker at a farmers meeting Wednesday evening at the court house. He spoke on the topic "Problems of the Farmer Today."

DEATH CLAIMS PROF. POWELL

Prof. Samuel Lawrence Powell, 82, died at his home on East High street Wednesday afternoon at 3 o'clock from infirmities of age.

He was born in Woodsboro, Maryland, a son of the late Lewis V. and Anna E. (Gaugh) Powell. Four years ago Prof. and Mrs. Powell came to Gettysburg to make their home.

The deceased graduated from Gettysburg college in 1885 and attended the Lutheran Theological seminary for one year. He then took a course in natural science at Johns Hopkins university, Baltimore, and from there went to Newberry college, South Carolina, where he occupied the chair of natural science for 14 years. After taking a year of post graduate work at Johns Hopkins he taught geology and chemistry at Roanoke college, Salem, Virginia. Later he did geological work in Mexico, Arkansas and Colorado.

Surviving are his widow, the former Lillie M. Miller, of Gettysburg; four sons, Dr. Henry Miller Powell, Colorado Springs; Elmer M. and Luther C., of Woodsboro, Maryland; Ernest R., of Thurmont; and two sisters, Lillie B. and Stella C. Powell, both of Thurmont. One grandchild also survives.

Funeral services from the Bender funeral home Friday afternoon at 2 o'clock conducted by the Rev. Dwight F. Putman. Interment in Evergreen cemetery.

Appeals For More Recruits For WAACs

Another appeal was made today by Private Mahlon P. Hartzell, Jr., in charge of WAAC recruiting in the Adams-York area, for recruits for the Woman's Army Auxiliary Corps.

"We need more WAACs," said Private Hartzell, "to relieve men from office and other non-combatant duty for service in the field."

Any woman between the ages of 21 and 44 is eligible for the WAACs, Private Hartzell said.

Those interested are urged to communicate with Private Hartzell at the York post office. They may write or call in person.

SCHOOL CASE

Mrs. Verna Chronister, West High street, was arrested Wednesday by Chief of Police Glenn Guise on charge of violating the school code by permitting her son to be absent from high school. The charge was laid before Justice of the Peace John H. Basehore by a borough school official. She was released on her own recognizance for a hearing at 4:15 p. m. today.

Sheely Backs Huge War Loan

"Business men and the citizens of Gettysburg and Adams county generally will recognize the need for continued effort on the part of the Treasury department to encourage our people to place all available cash at the disposal of the government," said Judge W. C. Sheely in commenting on the Second War Loan drive now in progress.

"Secretary Morgenthau tells us the Treasury must obtain thirteen billions of dollars by May 1. Most of this money is to be used to pay for the enormous stocks of war materials that must be sent to our fighting men and allies."

"The government cannot stop manufacturing this war equipment until victory is assured and so it must be evident to all of us that we must redouble our efforts at both production and in saving money to pay for the war materials we need."

"Our men and women at the fighting fronts are offering their lives so that we may continue to enjoy our liberty and our institutions. We are asked only to lend the government a portion of our earnings, with interest."

"We have got to do everything possible to make this drive a success, for the sake of our own self respect, our own future and the future of the young men and women we want to have returned to us as soon as our war responsibilities have been met."

Fishermen Report Good Catches Today

Fishermen from throughout Adams county gathered on the banks of the six main streams of the county this morning to take part in that traditional Walstonian ritual—the opening of trout season.

After leaving homes early so they could arrive at the streams by the crack of dawn many of the fishermen were back to work between 9 and 10 a. m. today. Most reported a good catch, with several saying they could have caught twice the amount the limit allows if they had chosen to continue.

County Treasurer John W. Brehm reported that 511 persons had secured fishing licenses up to this morning. The number is about the same as last year when 519 licenses were granted by April 15.

THREE SERVICES ARE SCHEDULED ON PALM SUNDAY

Palm Sunday will be marked by three special services at Trinity Evangelical Reformed church. The church school will assemble at 9:15 a. m. The orchestra will play several numbers as a prelude. The Palm Sunday worship service will be under the direction of Mrs. Guyon E. Buehler. It will be featured by a procession by the children. At 10:30 a. m. the confirmation service will be held. The augmented junior choir will lead in the procession of the Palms. The senior choir will sing "Jerusalem" at the Gradual of the service. At the Offertory Donald Myers will sing "The Palms."

The class of catechumens to be confirmed will appear in white vestments recalling a custom of the early Christian church. These confirmation robes are being presented to the church by the class and other members of the congregation and will be used each year on Palm Sunday.

Evening Vespers

The class consists of the following members: Helen Louise Cook, Jean Louise Harner, Gene Barnhart Hertz, Doris Jean Kitzmiller, Phyllis Louise Menchey, Jack Kenneth Moser, Lawrence Edward McLaughlin, Jean Vivian McLaughlin, Mary Margaret Rohrbach and Harry Edgar Smith. George T. Rafensperger, Sr., elder of the church, will represent the consistory, addressing the class and making the presentation of white carnations.

Vespers at 7:30 o'clock in the evening will be featured by a repetition of the Palm procession with the confirmation class again appearing in their white robes. William Ogden will play a trumpet solo, "The Palms," the junior choir will sing "When His Salvation Bringing" and the senior choir will sing "Open the Gates of the Temple." A reunion of all persons confirmed in Trinity church will be held in connection with this service.

The Catechumens will be publicly examined before the congregation at the Lenten vespers Friday evening at 7:30 o'clock.

Captain Knox is stationed at Pope Field, Fort Bragg, North Carolina. Radio Service, Baker's Battery Service.

DESTROY 199 BOCHE PLANES IN FIVE DAYS

Includes 134 Huge Fuel-Carrying Transports to Relieve Shortage

By ROGER GREENE

Associated Press War Editor

Allied headquarters disclosed today that Gen. Sir Bernard L. Montgomery's British 8th army had begun to storm the main Axis defense line at Enfidaville, 50 miles below Tunis, and that German and Italian prisoners captured since March 20 had risen to 30,000.

"Our troops continued their advance on most sectors of the Tunisian front," a communique from Gen. Dwight D. Eisenhower's headquarters announced.

Advance in North

The war bulletin said Lieut. Gen. K. A. N. Anderson's British 1st army pressed its offensive north of Medjez-El-Bab, 34 miles southwest of Tunis, and seized "an important feature over difficult country in the face of strong opposition."

Italian headquarters reported "lively fighting all along the front, particularly in the western sector" where the British 1st army is operating.

World events at a glance:

Air War—RAF blockbusters attack Stuttgart in "very heavy" night raid, 23 bombers lost; other Allied planes, believed Russian, renew assault on east Prussia; Nazi raiders bomb Thames estuary towns and East Anglia.

Invasion Jitters—Paris radio says evacuation ordered for Le Havre, France's second largest port, as Nazis clear potential invasion beachheads.

Jap Reverse

Southwest Pacific—Japanese air armada of 75 to 100 planes suffers upwards of 30 per cent loss in attack on Milne bay, New Guinea; Lt. Gen. Kenney says "the Jap has too many planes around to suit me." Washington military quarters assert Japanese have passed from offensive to "aggressive defense" in Pacific.

Russia—Big air battles rage over mud-bogged Soviet front; Berlin radio hints Nazis massing for new drive eastward.

Burma—Chinese army spokesman says more Japanese reinforcements reach Burma, declares eight-column Japanese offensive in China has fizzled out.

On the Tunisian front, Field Marshal Erwin Rommel's last-straw grasp on the North African bridgehead was under hammering assault in at least three main sectors, and it was likely, too, that the Axis chieftain was feeling the pinch of dwindling air strength as the Allies officially recorded more than 199 enemy planes destroyed since Saturday. At least 19 Axis aircraft were shot down and others destroyed on the ground yesterday.

Free French Active

Along with the British 1st army's advance in the north, Allied headquarters announced that Gen. Montgomery's 8th army troops "are in contact with the enemy defenses on the Enfidaville line."

Enfidaville marks the southeast coastal anchor of Marshal Rommel's 100-mile defense zone guarding Tunis and Bizerte.

"French forces continued their successful advance in the range of hills to the west of the Enfidaville line and yesterday captured over 400 prisoners," the Allied communique said.

Front dispatches said Marshal Rommel still had about 10 airfields left in his fast-shrinking corridor and cautioned against counting on German air power in the North African theater too soon. Nevertheless, the destruction of some 200 Axis planes in five days, including 134 big fuel-carrying transports, was a severe blow to the enemy and sharply demonstrated Allied superiority in the skies.

The lost transports, it was estimated, could ferry 10,000 tons of badly needed supplies to Rommel monthly by making a round-trip a day.

APRIL SNOWFALL

Snow flurries throughout Adams county Wednesday were reported to have turned to a heavier snow in the Greenstone area, with approximately a quarter-inch of snow falling during a storm starting about 7:30 p. m.

FIERCE BATTLE AHEAD ON NORTH AFRICAN FRONT

By DEWITT MACKENZIE

With Rommel and his battered, but still dangerous army finally corralled behind the strong outer defenses of the great circle of hills which shield the last Axis stand about Tunis and Bizerte, we have the making of one of the bloodiest battles of the war.

All the visible elements of a fierce struggle are present. However, there's one intangible factor which may or may not be lacking—the will on the part of the Axis forces to fight to a finish. That's what the impending conflict means—death or surrender—for there's little hope for the escape of any great number of the Rommellites by sea or air.

The early indications are that Hitler has ordered Rommel to make a stand. The Nazi propaganda department seems to be preparing the folk at home to see their boys sacrificed on the altar of the Fuehrer's paranoic ambition to conquer the world. They are told that there will be no dunkerque—no attempt to remove the troops by sea.

"Germans Will Crack Up" Well and good, but who guarantees that the 200,000 (more or less) Axis troops will stand up to any such order. The feeling isn't good between the Italians and the Germans, and the Duce's men are especially sore at being made the goats for rear-guard defense jobs recently.

Then we have this aspect: not long ago while abroad I was talking with one of the most famous of the allied generals, and he said to me:

"The Germans are fine soldiers, but there is a time, I believe, when they crack up."

Prepare For Casualties Now we have no reason to say that a German soldier wouldn't defend his home and hearth to the death, or he is brave. During the last war I encountered instances of mass "suicide" of German troops under orders. However, Tunisia isn't the fatherland or yet Italy. Many unprejudiced military experts hold that the German cracks when he reaches the point where he can see that there's no hope of holding out.

The chances are that there will be a terrific battle—and we must be prepared for heavy allied casualties—until the Axis forces finally realize that there's no chance of their being evacuated. Then one would expect surrender, rather than fight to a finish.

Allied Superiority Nazi General Von Arnim, who has been in command in the Tunis-Bizerte area until Rommel raced in, has had long months in which to prepare strong defenses for the contingency which now has arrived. The chances are that he also has considerable military supplies for the emergency.

Still, the Allies have great superiority not only in number of troops but in all categories of the fighting arms. We have ahead of us a hard job, but it shouldn't be a long one.

Rommel is in the position of one of his Libyan predecessors of antiquity—Antaeus, the wrestler. Antaeus, who was the son of the earth, couldn't be thrown because every time he touched his mother earth he received new strength. Finally along came Hercules and crushed him by holding him up so he couldn't hit the ground. Well, Montgomery had a lot of goes at Antaeus Rommel in the Libyan desert until at last the Briton got his foe up in the air, and the Marshal is kicking out his remaining strength.

"The Unhappy Duce" Rommel's value now is to give Hitler as much time as possible to get set for the allied offensive or offensives which presumably will be aimed at the continent after the battle of Tunisia. One of the first points the Fuehrer must be prepared to defend is the Island of Sicily—Natural Bridge between Africa and Italy. Then will come the Italian mainland, if the allies choose this theater for invasion.

The Axis undoubtedly will defend Italy stoutly but, as previously remarked in this column, Italy is a weak spot and it seems logical to believe that Hitler already has discounted the loss of that country. Mentally, at least, he has bade the unhappy Duce a tosti's "good-bye" which, as I recall it, was "forever."

Farmer Kills 7-Ft. Blacksnake

Ira S. Wolfe, who owns a farm near Bender's church has had one bumper crop along a certain line—but he admits it is one of the largest of its type he has ever harvested.

The crop in question was a seven-foot blacksnake, the only one he has ever seen on his farm, Wolfe said today. He stomped on the snake's head and thought it dead. He continued his plowing and the next time around saw the snake starting to wriggle across the field again. That time he cut off the head just to make sure the reptile really was no longer alive.

Engagements

Wentz—Garretson

Mr. and Mrs. Lloyd W. Garretson, Biglerville, announce the engagement of their daughter, Miss Kathryn Majelle, to Corporal Donald Eugene Wentz, son of Mr. and Mrs. Robert P. Wentz, also of Biglerville.

Miss Garretson graduated from Biglerville high school, class of 1939 and is now employed as secretary to Professor L. V. Stock, supervising principal of the Biglerville schools.

Corporal Wentz graduated from Millersburg high school in 1938. He attended Franklin and Marshall college, in Lancaster, for three years before being inducted into the United States Army Air Forces December 10, 1941. While at college he was a member of the Phi Kappa Tau social fraternity of which he served as treasurer. Corporal Wentz is now stationed at Keesler Field, Biloxi, Mississippi.

Riley—Sanders

Mr. and Mrs. Jason M. Sanders, Biglerville R. 2, announce the engagement of their daughter, Maymie N. Sanders, to Corporal Charles C. Riley, son of Mr. and Mrs. Simon Riley of Gettysburg R. 4.

Corporal Riley recently spent a 14-day furlough with his parents. He left on Wednesday morning to return to Camp Gordon Johnston, Florida, at which place he is stationed.

DEATHS

Roy Gregory Miller

Roy Gregory Miller, 43, McSherrytown, died Wednesday afternoon at 4:35 o'clock at the Hanover General hospital where had been admitted as a patient last Thursday and underwent an operation on Tuesday. Mr. Miller was the son of George and Alice Little Miller.

He had been an employee of the Auto-Kraft Box corporation for about 29 years and was a department foreman of the plant at the time of his death. Mr. Miller was a member of St. Mary's Catholic church, McSherrytown, and was affiliated with the McSherrytown aerie, Fraternal Order of Eagles.

Surviving are his widow, who before marriage was Marie Weaver; four children, Evan, Jean, Marilyn and Elaine Miller, all at home; his parents, Mr. and Mrs. George Miller, Hanover, and the following brothers and sisters, Mrs. Joseph Smith, Mrs. Guy Hoffman and Pvt. Hugh Miller, United States Army, now serving in overseas duty, somewhere abroad. The funeral services will be held Saturday.

J. W. Myers

J. W. Myers, 67, Tyrone, died at the Warner hospital Wednesday evening at 10:50 o'clock from the effects of a heart attack. He was admitted to the hospital on Tuesday.

The deceased was a nurseryman and had come to Adams county for the purpose of purchasing fruit trees.

The body was taken to Tyrone for services and interment.

COUNTY FUNDS

the primary and general elections. The registration cost was \$2,325.04 while the election cost was \$5,886.54.

Costs From Crime

To collect the \$109,000 in taxes the county had to pay \$9,222.18 for the tax assessment. The various terms of court cost only \$5,673.48 and justices of peace were given \$1,052.82 for their services to the county.

The county paid out \$10,423.98 to keep criminals in state and other penal institutions while the county jail cost \$6,030.37. For maintenance of children in institutions, the county paid \$5,028.46. The sinking fund went through the year without any expenditures.

Institution District Report
Delinquent taxes amount to \$13,314.50 on real estate and \$2,720.11 on personal property. For all years nearly \$85,000 in delinquent taxes is outstanding.

The condition of the county institutional district is also in excellent shape a report filed by the auditors with that of the county finances discloses. Largest expenditure was for the county home, with \$24,747.77 paid out. Total expenditures were \$45,136.33. Income was \$63,487.20 including taxes of \$54,937.72. A balance of \$23,204.82 remained from 1941. The balance at the end of 1942 was given as \$41,556.19.

HOSPITAL REPORT

Adam Wolf, East Berlin R. 1; Mrs. Roy Valentine, Taneytown, and Eugene C. Lerew, York Springs, have been admitted as patients to the Warner hospital. Those discharged were Mrs. Arthur Musselman and infant daughter, Caroline, Gettysburg R. 3, and Clair Knouse, Biglerville R. 1.

BIRTH ANNOUNCEMENT

Mr. and Mrs. Roy Valentine, Taneytown, announce the birth of a son at the Warner hospital this morning.

DEFENSE HEADS STUDY REPORTS ON RAID TEST

Harrisburg, Pa., April 15 (AP)—

State Defense council officials today checked the results of a 35-minute state-wide practice blackout held last night to determine if appeals for study of regulations eliminated confusion noticeable in previous rehearsals.

The first blue signal sounded at 8:55 p. m. and caught the Pennsylvania House of Representatives in session and terminated War Bond rallies throughout suburban Philadelphia. The red signal sounded at 9:10, the second blue ten minutes later and the all-clear at 9:30.

Defense council officials said they received no word that bond rallies were to be held in Philadelphia on the night scheduled for the practice blackout. The test, they said, was scheduled with the third service command over a week ago.

The 600,000-member Citizens Defense corps was brought into service throughout the state for the second night drill since inauguration of the new warning regulations.

"Bust the Filibuster"
Representatives in the House chamber stayed in their seats throughout the test with the Republicans unleashing their feelings against a Democratic filibuster with the singing of "Praise the Lord We'll Bust the Filibuster." The Senate had quit for the day.

Adding to the confusion in Philadelphia, where thousands were watching or participating in Bond Rallies, was the fact that the alert caught other thousands in the downtown shopping districts just as the stores were closing.

One Arrest
For the first time, two operations were performed at McKeesport hospital during a blackout. Behind blacked-out windows, Mrs. Elva Morgan Andrews, 19, gave birth to a four-pound 12-ounce son in a caesarian operation. Another patient underwent an emergency operation.

Mrs. Ida J. Haymaker, 77, of Wilkingsburg, was critically injured when she fell down steps at her home in the darkness.

Officials in Pittsburgh and other western Pennsylvania cities reported the blackout was generally effective, although a few street lights were not turned off. Pittsburgh police reported one arrest, that of a pedestrian who refused to seek cover.

OPA PRESCRIBES NEW PRICE PLAN ON VEGETABLES

Washington, April 15 (AP)—OPA

prescribed a new "markup" system of pricing fresh vegetables at retail today while officials intimated that the step was a preliminary to bringing down the cost of garden produce in compliance with President Roosevelt's order to reduce the cost of food where possible. Poultry also has been mentioned by officials as a likely candidate for similar price trimming.

Complaints about vegetable prices now constitute the bulk of "kicks" received by OPA from the public. Prices soared in the wake of canned goods rationing. Frosts and other damage in some growing localities complicated things.

The first step, taken last month, froze prices of seven key vegetables at then current levels. Today's order, which goes into effect April 22, sets the maximum retail price on each of the seven products at a fixed percentage above the wholesale price. The next step, freely predicted in OPA, will be to cut the wholesale prices and under the retail "markup" system that action will automatically cut retail prices.

Meanwhile, the markups are not expected to make much change in retail prices, and officials said the results could be judged only on a store-by-store basis.

May Change Weekly
On cabbage, the percentage which retailers may add to wholesale cost was put at 65 per cent for independent stores with an annual business volume of less than \$250,000, 54 per cent for chain stores with volume under \$250,000, and 50 per cent for larger stores of either type.

On carrots, lettuce, peas, snap beans, spinach and tomatoes, the markup was set at 39 per cent for all types of retailers, although classifications were set up which may be the basis for some differentials in the future.

Retailers will be permitted to change prices, however, only once a week—on Thursdays.

COLLEGE WILLED \$1,000
Gettysburg college has been awarded \$1,000 in the adjudication of Judge Harvey A. Gross in York county court. The sum was willed the college by the late Agnes Krebs of Hallam.

RED CROSS FUND
The Red Cross war fund climbed to \$19,907.27 today. Among contributions acknowledged by the county chapter was \$5 from the Post Office Auxiliary.

Upper Communities

Lieut. John W. Deardorff, Jr., has returned to Fort Benning, Georgia, after spending a week's leave with his parents, Mr. and Mrs. John W. Deardorff, of Biglerville. Mrs. Deardorff and their daughter, Dottie Jean, who are located in Reading temporarily, are remaining in Biglerville until after Easter.

Mrs. John A. Hauser, who entertained the Bridgettes Wednesday evening at her home in Biglerville, had as additional guests Mrs. Henry Donahar and Mrs. Vincent Hawbecker, of Biglerville, and Miss Edna Garretson, of Flora Dale.

Mrs. Sidney Repplier, of New York city, is visiting her parents, Dr. and Mrs. M. T. Dill, of Biglerville.

Mrs. Frank Wright, Mrs. George Baugher, Miss Doris Baugher and Mrs. I. N. Ripley, Aspers, spent Wednesday in Harrisburg where they visited Mrs. Robert Wright who is recovering from pneumonia. They were met in Harrisburg by Miss Virginia Baugher and Miss Jean Meyer, Blooming Glen, students at Lock Haven State Teachers' college, who will spend the spring vacation with Miss Baugher's parents, Mr. and Mrs. George Baugher.

W. Clayton Jester and Wilmer Bream, Biglerville R. D., were business visitors in Mechanicsburg today.

Mr. and Mrs. Albert Slaybaugh moved recently from the farm near Guernsey which they sold to their son, Raymond, to the home of their son-in-law and daughter, Mr. and Mrs. Glenn Kennedy, near Aspers, where they will live temporarily. Mr. Slaybaugh is convalescing following a major operation performed at the Warner hospital two weeks ago.

Mrs. Albert Slaybaugh, Aspers R. D., has returned after a visit of several days with her son-in-law and daughter, Mr. and Mrs. Lester Guise, Harrisburg.

FARMERS HERE URGED TO FIGHT CORN BORERS

Harrisburg, April 15 (AP)—Pennsylvania farmers were warned today by the state Department of Agriculture to intensify efforts to control and eradicate the corn borer.

The bureau of plant industry said "considerable damage is being done in some areas of Pennsylvania by the corn borer." Immediate measures were urged in parts of Adams, York, Lancaster, Chester, Berks, Northampton, Montgomery and Bucks counties where the borers have two broods each year.

Control Measures
The bureau pointed out the borers lives during winter months in corn stalks and thick-stemmed weeds and that effective control methods call for destruction by May 1 of all harboring places.

Weeds should be burned and corn stalks, corn stover and other corn remnants should be burned or run through a manure heap where there is considerable trampling by livestock.

If infected material is plowed under the borer will be killed provided all of the plant is well covered but officials insisted burning is the most effective extermination measure.

Bureau officials advised that control efforts be put on a community basis since the moths of the borers are good fliers, making individual effort ineffective.

Crippled Children's Board At Meeting

Members of the board of directors of the Adams County Crippled Children's society held their monthly meeting Wednesday afternoon at the Hotel Eberhart with the president, Dr. R. S. Saby presiding. Mrs. Ruth Topper has been appointed as the board's secretary to take the place of Miss Helen Chamberlain who is now in Red Cross service.

The board acknowledged two voluntary contributions of \$5 each. One was from the Rev. A. W. Geigley and the other from an anonymous donor. The society voted earlier in the year to omit the regular sale but will accept voluntary gifts.

Property Transfers

Paul and Olive B. Strausbaugh, Gettysburg, sold to C. B. and Matilda K. Wagner, same place, a lot on North Stratton street.

Alice Chapman and others, East Berlin, sold to Dyson and Mary E. Hess, same place, a property in Latimore township.

JUSTICE LEVIES FINE

Earl Sigler, West High street, was sentenced to five days in the county jail Wednesday afternoon after failing to pay a fine of \$2 and costs levied when he pleaded guilty to a disorderly conduct charge brought before Justice of Peace Robert P. Snyder. The charge was laid Tuesday by a member of the borough police.

MURDER-SUICIDE
Lebanon, Pa., April 15 (AP)—George B. Miller, 34-year-old steel worker, killed Edith Mae Williams, 37, then killed himself with the same gun, Coroner W. H. Brubaker reported. Neighbors said the couple who shared an apartment, had been quarreling violently before the shots were heard.

Arendtsville

Mrs. Raymond M. Hale entertained the members of the Wednesday Evening Bridge club this week at her home. Mrs. George H. Berkheimer was an additional guest. High scores were held by Mrs. George Hogg and Miss Miriam Thomas. The club will meet in one week with Mrs. Nelson Shaulis.

The Rev. and Mrs. H. W. Webner, York, spent the day with Mrs. Webner's parents, Mr. and Mrs. George Hoffman.

ico, newspapers and related subjects.

Mrs. Kramer had on display at the meeting a collection of Mexican art and handicraft.

It was announced following the meeting that bonds totaling \$575 had been sold at the club booth Wednesday while stamp sales amounted to \$22.65.

Next Meeting May 12

The membership committee announced Mrs. Morris Pleagle has been received as a new member of the club.

Hostesses for Wednesday's meeting were Mrs. C. Ross Shuman, Mrs. Thomas L. Cline, Mrs. J. E. Muselman, Mrs. Charles Wolfe, Mrs. Marie Zeigler, Mrs. Carrie Stauffer, Mrs. George M. Zerling, Mrs. F. K. Schwartz, Mrs. Austin Lange and Mrs. David Oyler.

The meeting scheduled for April 28 will be omitted, it was announced. The next regular session will be held May 12 when D. E. Hess, U.S.-D.A. forester, will be the speaker. No musical tea will be held this year but a musical program will be arranged in connection with the annual luncheon set for May 26, it has been announced.

BULLETINS

Washington, April 15 (AP)—A constantly increasing flow of aircraft and other military supplies was promised today by Secretary of War Stimson for the forces of General Douglas MacArthur in the southwest Pacific.

Washington, April 15 (AP)—The Aleutians Air Force Command broke all previous records for number of attacks on Kiska in a single day, the Navy reported today, when the enemy-held island was raided ten times Tuesday by both heavy and medium bombers.

Washington, April 15 (AP)—The House Military committee recommended today that Selective Service Director Lewis B. Hershey issue a directive to all draft boards to review their files "with a view to eliminating all deferments of government employees not thoroughly justified by supporting evidence."

Algiers, April 15 (AP)—An authoritative source said today that Gen. Henri Giraud had ordered a purge of all pro-Axis and Vichy-minded officers from the French Army.

Cullison Rites Friday Morning

Funeral services for Quay V. Cullison, Jr., 14-month-old son of Pvt. and Mrs. Quay V. Cullison, 242 West Middle street, will be held from the Bender funeral home Friday morning at 10 o'clock conducted by the Rev. Fr. Mark E. Stock. Interment in St. Francis Xavier Catholic cemetery.

Friends may call at the funeral home this evening after 7 o'clock.

Couple Married During Blackout

Pittsburgh, April 15 (AP)—Morris Kelson and Ruth Golden were married in the dark last night.

When the blackout alert sounded, Alderman Charles Stahl interrupted the ceremony long enough to switch off the lights, then completed the rites.

The couple left on the all-clear signal.

AUXILIARY PARTY

The April party of the Ladies' Auxiliary of Adams County Fish and Game association will be held Friday at 7:30 p. m. in the club rooms, it has been announced. A good attendance is expected.

GIVEN ARMY DISCHARGE
Jay D. Basehore, Littlestown, has been honorably discharged from the armed forces for physical disability. He had been stationed at Camp Shelby, Mississippi, and Camp Wheeler, Georgia.

MURDER-SUICIDE

Lebanon, Pa., April 15 (AP)—George B. Miller, 34-year-old steel worker, killed Edith Mae Williams, 37, then killed himself with the same gun, Coroner W. H. Brubaker reported. Neighbors said the couple who shared an apartment, had been quarreling violently before the shots were heard.

Brooklyn Dodgers Are Choice Of Bailey To Grab National League Title

DEM BUMS HAVE NOT BEEN HARD HIT BY DRAFT

By JUDSON BAILEY
New York, April 15 (AP)—You may have one of those plain, unadorned calendars which simply shows that today is Thursday, April 15, but we have one on our desk which shows that this is the time to predict the pennant winners in the major leagues.

Our opinion and \$18.75 will get you a small war bond, but for what it is worth we give you the Brooklyn Dodgers as the probable 1943 champions of the National League.

Most of the major league experts are backing the world champion St. Louis Cardinals and in deference to the observations of our brothers in the Baseball Writers association we will concede that this year will see another close race.

Stars Missing
The Cardinals have a good ball club, but it is not the same outfit that beat the New York Yankees four straight in the last World Series. Gone are Terry Moore, the great fielder; Enos (Country) Slaughter, the great hitter, and John Beazley, the rookie pitcher who won 21 games in the regular season and two in the World Series.

For the first few weeks of the season the Redbirds also will be without shortstop Martin (Slat) Marion, because of an appendectomy, and second baseman Jimmy Brown. Brown, Howie Pollet and Harry Walker are likely to be called in the draft at an early date.

The Cards have good rookies, but right now the club does not look as promising as last year when it managed to win on the last day of the season.

Vets on Hand
The Dodgers' wounds by the war have been less vital. Outfielder Pete Reiser and shortstop Peevée Reese have entered the service along with several others, but Branch Rickey has obtained experience replacements. The team consists of veterans who are as nearly draft proof as any ball players can be. The exception is pitcher Kirby Higbe, married but childless.

The Dodgers have experience, more power and an edge in the infield as long as the Cards are without Marion and Brown. St. Louis has youth, speed and the possibility of better pitching.

The schedule gives the Dodgers a running start against the weak eastern clubs while the Cards are battling the tough Cincinnati Reds and Chicago Cubs in the first month of the season. It keeps the Dodgers mostly in their own park till the last week in May.

Pacifist Starts Five-Year Sentence

Philadelphia, April 15 (AP)—Benjamin Andrews, who said he believed so firmly in pacifism that he would not help carry a wounded soldier from the battlefield if the soldier might return to the front, began a five-year prison sentence today for violation of the Selective Service Act.

Pleading guilty to failure to report for examination as directed by his draft board, the 37-year-old church organist asserted that the Red Cross was "aiding the war effort" and told Federal Judge Guy K. Bard that "I cannot afford to anyone, including the President of the United States, the right to force me to kill."

KILLED IN BOMBER CRASH

Avon Park, Fla., April 15 (AP)—Two Pennsylvanians were among seven crew members killed when an Army bomber crashed near Augusta, Georgia, the Avon Park Public Relations office announced. They were Staff Sgt. Carl Just of R. D. 1, York Haven and Sgt. Lewis P. Halmi of 321 Lehigh avenue, Palmyerton.

HUNTER IN RELAYS
Philadelphia, April 15 (AP)—Led by Ollie Hunter of Erie, Pa., three Notre Dame relay teams and two individual runners are scheduled to take part in the University of Pennsylvania relay carnivals April 23 and 24.

To Hasten Victory

No American wants this war to go one minute beyond the time we can bring it to a victorious end. To hasten that victory—to save possibly the lives of millions of our boys on our far flung fronts—it is imperative that every American do his part in the Second War Loan. There is an investment to fit every purse. The most you can do is little enough compared with the sacrifice offered by our boys in service. They give their lives—you lend your money.

Former Grid Star Reported Missing

Second Lieut. Tom Harmon, former All-American football player at the University of Michigan, is missing in the South American area, the War department has informed his parents. Harmon, shown here with his plane when he landed in the Caribbean area recently, enlisted in the Army Air Force a year ago. His plane was nicknamed "Old 98" after the number he wore while starring on the gridiron.

SPORTS ROUNDUP

By CHARLES DUNKLEY
(Pinch hitting for flu-stricken Hugh S. Fullerton, Jr.)

Chicago, April 15 (AP)—Norman Ross, at the age of 47, is going back to war as an instructor in the Army Flight Command to join his two sons, both headed for Army aviation. His dog, a Belgian shepherd pooch, already is in the service. His wife, above the age limit for the WAACS, is storming because she can't go, too.

So, within 48 hours, the three males in the house of Ross will be in the service of their country, leaving mother and a 12-year-old daughter behind. Donald (correct), 48, is an air cadet stationed at Lubbock, Texas. Norman, Jr., 21, is in training at Stanford university to become an aviator in the artillery service.

Both youngsters previously had learned to fly. Their dad, owner of a plane, taught them. No number Norman Ross?

Recollect a minute. He was the original human fish, first of the world's really great modern swimmers. In the period between 1917 and 1922, Ross held almost all of the world's aquatic records from a quarter of a mile to a mile and a half. At one time he held 17 national championships. He smashed the quarter mile record 12 times. He reigned supreme until another great swimmer, Johnny Weissmueller, came along in 1922.

Ross served in the first World War as a pursuit pilot with Maj. Gen. Jimmy Doolittle. In the Inter-Allied games in Paris in 1919 Ross won the 100, 400, 800 and 1,500 meters back stroke events, swam a lap on the winning relay team and played on the water polo team. Previously on July 4, 1916, Ross won seven medals, all in one afternoon, while competing in a National AAU meet at San Diego, California.

In 1927 Ross attempted to win a 26-mile marathon from Avalon, Santa Catalina Island, to Wilmington, California, promoted by the late William Wrigley, Jr., for a prize of \$25,000. He lost to a game young

Canadian, George Young, who rode a broken down motorcycle all the way to California to compete. Young grabbed the \$25,000. Ross, finishing second, got nothing.

Ross, powerful and strapping, had to melt off 22 pounds in eight days to make the 228 pounds for the aviation service. He starts a six weeks' officers' training course at Miami, Florida, next Saturday. And he's tossing up a \$25,000-a-year radio newscasting job to do his chores for Uncle Sam. His booming bass voice, heard from Chicago stations for the past 12 years, will be missing from the airwaves for a while.

TODAY'S GUEST STAR

Warren Brown, Chicago Sun: "The National Football league is to have another meeting on June 19 at which time, I have no doubt, everything will be cleared up. At that time we all may even find out why there was a meeting held in April."

ORMSBY STILL WATCHING CURVES

Sgt. Emmett "Red" Ormsby, retired American league umpire, now on the sheriff's staff of tavern raiders in suburban Chicago, has a tough time keeping his mind on his work. He's still looking over the curves to determine if the gyrations of a striptease are within the law. He's bothered most by hilarious rumpshots who remember his ball park days and want to talk over the finer points of the game.

Explains Red: "Often I walk into a spot in search of vice or liquor violations and a chap at the bar spots me and hollers: 'Hey, there, Red! Jush sits down right her (hic) and lesh dish-cush the baseball situation!'"

Red can't. He draws a check for watching curvaceous cuties and seeing that they don't shed too much clothing.

SOME HEAVY THINKING

Imagine referring to Lem Franklin, towering Cleveland negro, and Lee Savold, as top rankers of present day heavyweights. Yet, that's what they are despite the fact that Franklin has been stiffened at least four times and Savold thrice. They are boxing in the Chicago stadium in a return scorching tomorrow night with the prospects of drawing at least a \$40,000 game.

HOLD TO HOPE FOR SAFETY OF LT. TOM HARMON

Ann Arbor, Mich., April 15 (AP)—A mom and a dad and a campusful of shocked students waited tensely today for a scrap of news that would say Tom Harmon is safe.

Lieut. Thomas Dudley Harmon, one of the great football players of all time, is missing in the Latin-American area. The War department informed his parents of this—with no further detail—in a brief telegram last night.

Stricken first with grief, his parents then swallowed the news and insisted immediately that Tom was not dead, that "old 98" had not scored its last touchdown.

"Old-98-Little Butch"
Harmon, an all-American at Michigan in 1939 and 1940 and a gridiron star since his high school freshman days, left the continental United States two weeks ago in a bomber inscribed with his familiar Jersey number—98. "Old-98-Little Butch," he called the plane.

Tom was the best-known football player in University of Michigan history. He scored 237 points in three years of college competition, more than any other player, and his 33 touchdowns were more than the 31 made by Illinois' famed Red Grange.

Harmon entered the United States Army Air Forces a year ago and was made a pilot and a second lieutenant at Williams Field, Ariz., on Oct. 30, 1942.

Training Camp Briefs

(By The Associated Press)
Muncie, Ind.—Prepared for today's opening contest of a five-game series with the Doughty Detroit Jungle Cats, Manager Frankie Frisch of the Pittsburgh Pirates announced he plans to use Rip Sewell, Hank Gornicki, Wally Herbert and Johnny Lanning in turn against the Chicago Cubs in the league opening series next week.

Philadelphia—The Phils, with one inning of baseball and 20 minutes of other practice the last three days, hope to get back into action today against the Washington Senators at Trenton. The Phils think George Washburn, former Yankee mound chattel obtained yesterday from the Chicago Cubs on waivers, may help bolster the mound staff.

Wilmington, Del.—Unable to start their three-game series with the Boston Braves yesterday in Philadelphia, the Athletics are scheduled to face Boston here today and at Shibe Park in Philadelphia Friday.

Wilmington, Del.—The Boston Braves wind up their road exhibition schedule with the Athletics here today and Manager Casey Stengel fears his pitchers are much too short of work against professional rivals, so he plans to use two pitchers a game, regardless of their success, during the first week of the regular season.

WPIAL Diamond Loops Will Open

Pittsburgh, April 15 (AP)—Weather permitting, three of the six sections of the WPIAL baseball championship will open today.

The war reduced the league this season from ten sections and 55 teams to the six with 23 teams. Officials have not yet received a reply to their offer to create a seventh, two-team division made up of Georges Township and Carmichaels. If the two schools decide to have teams, they will decide their title in a single series.

The league lost two more coaches to the armed forces yesterday. Chester Smith, football and swimming coach at Perry high accepted a commission as first lieutenant in the Coast Artillery and Paul Wagner, track coach at Donora, received a commission as lieutenant, junior grade, in the Navy.

FLOYD TO BE PRO

Philadelphia, April 15 (AP)—Jackie Floyd, national featherweight amateur boxing champion, plans to enter the professional ranks, meeting Joe Longo of Baltimore April 26.

PONZI LEADS

Kansas City, April 15 (AP)—Andrew Ponzi of Philadelphia held a 366-point lead in his quest for his third world pocket billiards championship today at the end of his fourth block with the defending titlist, Willie Mosconi.

TROUT FISHING SEASON OPENS

Harrisburg, Pa., April 15 (AP)—Pennsylvania trout fishermen took to the streams at 5 a. m. today confident that recent rains had made the waters in most sections nothing short of perfect for the first catch of the new season.

Although conditions were not altogether conducive to fly fishing, Commissioner C. A. French said, "warm fishermen will be especially pleased."

Some sources thought the sudden drop in temperature would deplete the ranks of the expected 200,000 anglers but French predicted the "real" trout fishermen will be there. He declared "I've seen large numbers of fishermen out in freezing weather before, and many times saw them wade snow up to their hips." He added that he thought the cold might prove a handicap to the fly caster.

The commissioner estimated that 700,000 legal sized trout have been placed in the streams throughout the state in addition to large numbers remaining since last year.

Fishing during the three and one-half months season will be allowed 24-hours a day, with the exception of restricted areas where notices are posted giving specific hours. One day's limit is 10 trout of the combined species, including brook, brown and rainbow.

"Lord And Red Cross" Take Care Of Prisoner

Oil City, Pa., April 15 (AP)—"The Lord and the Red Cross are taking good care of me," Private First Class Russell L. Merryman wrote his parents, Mr. and Mrs. E. Merryman of Shipperville, on the first postcard received in this section from an American prisoner in a Nazi prison camp.

Merryman said he was in good health and "getting along fine."

More than a score of district boys were reported missing in action in North Africa after the Germans made their sudden foray against the Americans at Faid Pass last month.

SULLIVAN HONORED

Philadelphia, April 15 (AP)—Jack Sullivan, one-time PIAA state wrestling champion, is the most valuable member of the University of Pennsylvania wrestling team, in the judgment of the grapplers' club. He was honored at a dinner last night with Captain Dick Battista, who is undefeated in 83 bouts.

FROM DIAMOND TO DUTY

Bethlehem, Pa., April 15 (AP)—Lehigh's three-letter sophomore, Vincent Moravec, ends his college pitching career for the duration against Lafayette at Easton April 20. Two days later the football, basketball and baseball stars reports for Army duty.

BIGLER LISTS OPENER FRIDAY

Weather permitting the Biglerville high school baseball team will open its 1943 campaign Friday afternoon by meeting Bolling Springs high on the latter's field.

Coach Dale Smith and his candidates have been severely handicapped during the past week by inclement weather. The squad held a brief workout Wednesday in near freezing temperatures and a final drill is listed for this afternoon.

Although the starting lineup is in doubt Coach Smith indicated today he will use Ken Lawver, six-foot two-inch right-hander on the mound, with Gerald Baumgardner doing the receiving.

Frederick Koontz, a sophomore, and Junior Walter, freshman, will share the pitching with Lawver this season. Koontz is listed to play right field in the opener.

Others expected to be in the lineup on Friday include Dean Carey, first base; Tom Yost, second base; Stan McClimens, third base; Donald Slaybaugh, center field; Robert Naugle, left field, and Robert Brough, shortstop.

If you haven't gotten around to buying a Second War Loan Bond, stop and think what it would mean to you if our soldiers hadn't gotten round to the fight.

Today's Talk
By George Matthew Adams

INCENTIVE
The child is born with an early sense, or desire, to find out things. Most of its slumbering faculties move slowly, but curiosity is one of the first to leap into activity. This is probably as the Creator meant that it should be—for from it is born that force which we know as incentive, or that something within us that drives us to do things that we enjoy.

This incentive might best be termed the self-encouragement that is formed somehow within us, and which makes us want to do something that is worth while. For without incentive, where are we, and what are we going to do with ourselves? It may also be called the self-motive power, without which we create still.

Every creative human being who has ever achieved much has had incentive behind him. The early discoverers and settlers of America had it. Every one who wishes to excel has it. It is essential for success or happiness in any walk or endeavor in life.

Unless we have this incentive—this power of encouragement to back us up—nothing adequate to our ability can be accomplished. Life certainly becomes a difficult, rugged road to travel—without incentive.

Said Walt Whitman in "Specimen Days": "After you have exhausted what there is in business, politics, conviviality, love, and so on—have found that none of these finally satisfy, or permanently wear—what remains? Nature remains: to bring out from their torpid recesses the affinities of a man or woman with the open air—the sun by day and the stars of heaven by night."

Nature is a wonderful example of inanimate incentive. But if we give to the earth special care, through fertilizer and plenty of water, the plant, tree, or shrub will give so much more in return. And that's the way it is with human beings. Give them a little extra to help them out—kindness, encouragement, a rousing cheer now and then! Incentive takes care of itself then.

People in a free land have incentive to strive, to achieve and not to fail. But what incentive can a slave have?

Tomorrow Mr. Adams will talk on the subject: "The Inner Life."

TWENTY YEARS AGO
Dairy Lunch Will Be Novel Feature: After several months spent in remodeling and repainting the property on the northwest corner of Center Square, G. F. Mitchell, owner, announced that he was ready to open his restaurant on that site Saturday.

Among the features of the new restaurant will be a section reserved for dairy lunch business, the customer acting as his own waiter, and eating his order from the arm of a chair. The new restaurant has a seating capacity of 100 persons.

Back in Office: Having recovered from the effects of the inoculation given him Monday night, when lockjaw threatened, County Treasurer Roy E. Zinn, returned to his office at the court house after spending Tuesday in bed. The soreness in his right hand has subsided somewhat on Wednesday.

New Manager Here: H. H. Miller, of Ridgway, this state, has arrived in Gettysburg to become manager of the Gettysburg Gas company, succeeding A. B. Plank, who resigned recently.

Mr. Miller formerly was employed by the City Gas company, of Norfolk, Virginia, and the Washington Gas company, of Washington, D. C. His wife and daughter, who are residing in Washington, D. C., will later move to Gettysburg.

Ground Broken for I.O.O.F. Home: Ground was broken Wednesday afternoon for the \$500,000 Odd Fellows Home to be erected two miles north of Frederick on the Frederick-Gettysburg pike. The exercises were conducted by Grand Master L. B. Hafer, Taneytown.

Score Hit with Daddy Long-Legs: Members of the senior class at Gettysburg high school scored a decisive hit in their presentation of "Daddy Long-Legs," with a full house at the Lincoln Way theatre on Thursday evening.

Margaret Peters as "Judy," shone like a star in the professional firmament. George Scharf in the part of Jarvis Pendleton took the leading male characterization in a capable manner.

Other characters were Harold Thomas, "James McBride;" Robert Miller, "Cyrus Wykoff;" Ralph Wible, "Abner Parsons;" Raymond Robert, "Griggs;" William Scott, "Walters;" Frances Grider, "Miss Pritchard;" Jessica Weaver, "Mrs. Pendleton;" Sara Black, "Julia Pendleton;" Sherry Donaldson, "Sallie McBride;" Anna Mumper, "Mrs. Sempie;" Kathryn Musser, "Mrs. Lippett;" Nettie Orner, "Carrie;" Grace Hummer, Margaret Stauffer, Mary Stauffer, Marion Chronister, Laura Little, Mary Harbaugh and Anna Wible, "Orphans in the John Grier Home."

New Apartment House this Year: Housing accommodations for fifteen families will be available in Gettysburg by next September, if present plans of W. F. Gilliland are carried out. Construction work will be started on the property Mr. Gilliland recently purchased from R. E. Wible on Carlisle street.

Although new dwellings are going up rapidly, there has been no decrease in the demand for homes. It is estimated a hundred new houses could be erected here during the next month and each one rented at once.

Athletic Stars to Compete Here: Names of last minute entrants from Adams county's schools, who will compete for honors in track and field events in the annual Field Day contests to be held here on Saturday, April 21, were received on Tuesday at the office of W. Raymond Shank, county superintendent of schools.

Mrs. J. P. Bigham Elected Regent: Mrs. J. Paxton Bigham was unanimously elected regent of the Gettysburg chapter of the Daughters of the American Revolution, at a meeting held Saturday afternoon at the Eagle hotel. Mrs. Bigham succeeds Mrs. William A. Granville, who was presented with a beautiful ex-Regent's pin by Mrs. Bigham after the latter's installation. Forty members were present at the meeting.

Other officers installed were vice regent, Mrs. S. F. Lehman; treasurer, Mrs. J. L. Butt; chaplain, Mrs. W. H. Danforth; historian, Miss Sherwood Scott, and registrar, Mrs. H. M. Hartman. Mrs. H. D. Shepard, of Hanover, and Mrs. Charles Drum, of Gettysburg, were elected delegates to represent the local chapter at the National Congress of the D.A.R. to be held at Washington during the week beginning April 16.

Personal: Mr. and Mrs. John Pitzer, of Gettysburg, announce the birth of a baby boy at the Warner hospital.

Dr. John B. Zinn, of Worcester, Massachusetts, is spending the week-end with his mother, Mrs. M. E. Zinn, Baltimore street.

Mr. and Mrs. Stephen R. Wing, of Dayton, Ohio, announce the birth of a daughter, Marion Wing, April 14.

Little Nations Are Assured U. S. Will Champion Them

CORDELL HULL URGES WORLD 'MAGNA CHARTA'

By WADE WERNER

Washington, April 15 (AP)—The peoples of the little countries the world over had authoritative assurance today that the United States, come what may, will continue to champion the rights of the small nations.

Secretary of State Cordell Hull made this clear in an address before the Pan-American union last night in which he vigorously advocated worldwide adoption of the good neighbor policy as a sort of global magna charta of the nations.

Amid the clash of arms and confusion of world conflict it is more than ever important, he said, "to keep clearly before mankind the principles to which we have dedicated ourselves," the principles of sovereignty, equality, law, order, justice, morality, non-intervention, friendliness and cooperation on which the solidarity of this hemisphere is based.

"Throughout the Earth" "These principles upon which we have built our inter-American life," he emphasized, "are no exclusive property of the continents of the Americas. They are not peculiar to this hemisphere. They are universally applicable and are open to universal adoption."

"The liberty that we jealously safeguard as the right of every American nation, great and small, is the same liberty which we believe should be established throughout the earth."

Hull's words were regarded as of particular significance in view of recent British and American official utterances widely interpreted as meaning the small states must reconcile themselves to a diminished role in the postwar world and that some of them might have to disappear as sovereign entities.

MAY ABOLISH COMMON LAW MARRIAGES

Harrisburg, April 15 (AP)—Common law marriages would be eliminated under consolidation of all Pennsylvania marriage statutes in a bill approved today by the House. The measure, sponsored by Reps. Alfred C. Alsop (R-Lancaster) and Albert S. Reading (D-Berks), was one of the last measures gaining approval as the House wound up its longest meeting of the session—10 hours.

Other bills sent to the Senate with House approval would: Create a real estate board under the Department of Public Instruction—W. M. Hunter (R-Delaware). Increase salaries of sixth class county commissioners from \$3,000 to \$3,750—Reps. W. H. Elder (R-Lycoming) and W. S. Helm (R-Armstrong).

Senate Bills

Senate bills passed and sent to the House would: Require names of all persons in armed forces be retained on permanent registration lists—C. T. Woodring (D-Northampton). Amend the state constitution so that the Legislature could meet annually and so state budgets be prepared each year—George Woodward (R-Phila.).

Make every mine foreman, assistant and fire boss a police officer of the commonwealth, charged with enforcing the state's bituminous and anthracite mining laws—Weldon B. Heyburn (R-Delaware).

Extend from 1944 to 1946 the effective date of a law banning use of highways to trucks carrying other vehicles—Joseph M. Barr (D-Allegheny) and O. J. Tallman (R-Lehigh). Relax the duration eligibility requirements for applicants taking examinations for undertakers' licenses—John M. Walker (R-Allegheny).

TO TRY AGAIN

Reno, Nev., April 15 (AP)—Rose Schultz of Philadelphia was Mrs. Joseph L. Hockman today for the second time. Her husband, a Philadelphia contractor, divorced his first wife in 1933 and married Miss Schultz. The divorce later was nullified, but he was awarded another yesterday and immediately remarried Miss Schultz.

F. Hollebaugh has been moved from the Brinkerhoff building, Baltimore street, to 16 Baltimore street, in the Kimple building recently purchased by Miss Hollebaugh.

Leonard Hennig has purchased a plot of ground on Buford street from H. E. Bumbaugh. Mr. Hennig expects to erect a house on the lot in the near future. Mr. Bumbaugh plans to erect a double house on the lot adjoining Mr. Hennig's.

Miss Rose B. Shepard has returned to Bryn Mawr after spending some time with her sister, Mrs. Edward McCleary and Mrs. Harry C. Gilbert, of Gettysburg.

Flashes of Life

PRISON BREAKOUT
Evansville, Ind. (AP)—Sorry, but you can't get into the Vanderburgh county jail.
Health Officer E. A. King quarantined the bastille after a woman prisoner developed measles. Court trials and arraignments of prisoners were ordered discontinued—no one can get out, either.

TURNABOUT

New Orleans (AP)—Harry C. White has asked city court to award him \$38.50 for damages to his auto by a saddle horse that threw its rider and collided with the car on a lakefront highway.
He said the animal kicked off the gas tank cap and shattered a rear window. Suit was brought against the owner of the horse.

SHARE-THE-WEALTH DEPT.

Albuquerque, N. M. (AP)—Robert Norton shared his car with two pedestrians Monday night, he told the sheriff's office.
The pair overpowered him and took his A and B gasoline books.
Last night, he said, the thieves evidently discovered they needed a car that matched the books.
Norton's car was stolen—and returned this morning, tank empty.

State Industries To Send Many To Army

Philadelphia, April 15 (AP)—Pennsylvania war plants will supply nearly 28,000 men to the armed forces in the next six months, according to Regional Manpower Director Louis B. P. Raycroft.

Raycroft said 315 plants have agreed to begin releasing their draft-liable workers on systematic schedules by the end of April, replacing them with older workers from less essential activities and with women. The Pennsylvania plants have 50,985 employees who eventually are expected to enter the armed services, he said.

AGED MASON DIES

Philadelphia, April 15 (AP)—Joshua Vanartsdalen, second oldest member of the Masonic order in Pennsylvania, died yesterday, nine days before his 100th birthday. A native of Bucks county, he joined the Masons at Doylestown in 1868.

DEMOCRATS GO TO GOVERNOR WITH PROGRAM

Harrisburg, April 15 (AP)—The Democratic legislative minority, insisting its filibuster is justified by the Assembly's "extravagance in time and money," awaited an answer from Governor Martin today its request that he demand enactment of legislation "in aid of the war and in anticipation of post-war necessities."

A committee presented to the Republican chief executive a 1,000-word statement calling for an 11-point program topped by financing post-war planning with \$30,000,000 of motor funds and any surplus from other funds.

The Democrats visited the Governor after drawing sharp attention throughout the week to legislative activities by invoking a rarely-used rule requiring complete reading of bills, which customarily are read by title only.

"Cordial Reception" Republicans called the strategy a filibuster. Martin termed the move "just the good old American way," and said "it's all right."

Other planks in the proposed Democratic program called for elimination of emergency taxes on cigarettes and gasoline, increased salaries for school teachers, retention of the principle of civil service for

state employees during the war, and legislation for cooperation of the federal and state governments in slum clearance and defense housing.

"We received a cordial reception from the Governor and he gave us a considerable amount of time," Senator Harry Shapiro, of Philadelphia, told reporters after the conference. "He told us, of course, we couldn't expect an answer immediately. He said we would hear further from him after he had read and considered our statement."

Filibuster Delays Business

The statement asserted that only 18 bills have been enacted during the 14 weeks of the session, all of them "generally either personal or political," at a total cost of \$1,012,207.

"This extravagance in time and money," the statement said, "is complete justification for our action in invoking the constitutional provision, requiring bills to be read at length, for it has already succeeded in its sole purpose to focus the attention of the public on the actions of the Republican majority in this Legislature; to serve as a protest against the use of the power of votes for political aggrandizement in the period of this tragic war."

"The Democrats are trying to slide out of a ridiculous position," asserted Senator Weldon B. Heyburn, the Republican floor leader, "if it hadn't been for the filibuster, for example, the planning commission bill probably would have been passed this week."

NEW FIREWORKS IN TAX DISPUTE

Washington, April 15 (AP)—A statement by Senate Republicans endorsing the Ruml plan became the fuse today for a new explosion of the pay-as-you-go income tax issue in the House Ways and Means committee.

Seven GOP members of the Senate Finance committee, acting with the approval of minority leader McNary of Oregon, yesterday pledged support for the skip-a-year proposal and called for early enactment of current taxation legislation, including a 20 per cent withholding levy. Rep. Knutson (R-Minn.), main-spring of House Republican support behind the plan, said this action "gives us grounds for asking" the Ways and Means committee to reopen the pay-as-you-go question. "It looks like this is going to force the committee's hand," he declared.

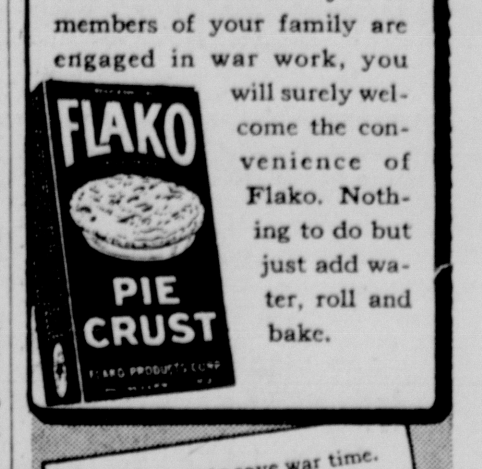

Thompson, principal of Oil City high school and a member of the school system for 36 years, formally presented his resignation last night to the school board, effective on Nov. 18, when he becomes 62.

\$2,500 FALL

Pittsburgh, April 15 (AP)—Ice on a sidewalk which caused Mrs. Isabella Lauderbaugh to fall on January 22, 1938, injuring herself, led to a \$2,500 verdict against the city by a Common Pleas court jury yesterday.

Two Children Are Killed By Trucks

Johnstown, Pa., April 15 (AP)—Ten-year-old Margaret Mary Riffle ran into the side of an ice truck during recess at St. Joseph's school yesterday and was fatally injured. She was the sixth to be killed here this year in a traffic accident.
At Gettysburg, Joseph L. Strobe, 17, was killed in another mishap. He was crushed between a dump body and chassis of a truck he was repairing.

HAM FOR EASTER WILL BE TOUGH ON FOOD BOOKS

Chicago, April 15 (AP)—Ham, the traditional Easter dish, will retain its popularity this year despite newly imposed rationing restrictions, butchers and packers agreed today.

The pre-Easter sale of hams to retailers has continued in normal volume, dealers said and expressed belief one effect of rationing would be an increase in the sale of "picnics" or shoulders, half ham and ham slices. They explained that large hams, averaging 14 pounds, would cost at least 98 points—more than the average family could afford. Small families were advised to build up a ration bank of A, B, C and D coupons, all of which expire on April 30, by serving low point meals now, so that by Easter they could afford a half ham costing around 45 points.

Butchers declared ham was a good buy compared with other meats, both on the basis of cost and point value. Packers distributed advertisements giving sample Easter menus prepared with smaller cuts of hams.

Old American Custom
The origin of the ham for Easter tradition is said to date back to medieval times when a peasant slaughtered a hog and buried the carcass in the sand. Winter seas flooded the shore but receded at Easter, when the man dug up the meat, hung it to dry and in the smoke of an open fire the salted pork took on a new and delightful flavor.

Another explanation is that pioneer Americans slaughtered hogs in the late fall and parts were converted into sausage because it would keep longer than fresh meat. Hams and bacon were smoked to preserve them even longer. Then the sausage and bacon was consumed gradually during the winter, but the choicest ham was saved until the last and generally served for the Easter feast.

Abbottstown

Abbottstown—Miss Fairie Kinneman has returned to the home of her parents, Mr. and Mrs. John Kinneman, after spending the winter at the home of her brother-in-law and sister in Kentucky.

Mr. and Mrs. Albert Krout and family, Emigsville, and Mr. and Mrs. Paul Krout and family, Thomasville, were guests at the home of Mr. and Mrs. Edward Krout, Sunday.

Mrs. Frank Hetrick, who resides along the East Berlin and Abbottstown pike, suffered severe injuries when she fell down a flight of steps at her home Saturday.

The condition of Emerson Baker is unchanged. He suffered a slight concussion when the car in which he was riding hit a tree on York street in Hanover recently.

PITT REQUEST

Pittsburgh, April 15 (AP)—Miss Jennie Jenkins, aged member of a pioneer Pittsburgh family, left \$5,000 of her \$305,000 estate to the University of Pittsburgh and \$3,000 to Children's hospital. She died on April 5. Miss Jenkins was a daughter of Robert Jenkins, who with two sons was a coal and river boat operator.

Illness Listed As Major Labor Problem

Pittsburgh, April 15 (AP)—Dr. Victor G. Heiser, health director of the Philippine Islands for ten years, counseled district industrialists to place greater emphasis on preventive medicine among plant employees, including safeguards against occupational diseases and accidents.

Dr. Heiser, addressing the closing session of a one-day health clinic sponsored by the National Association of Manufacturers last night, said sickness is the most important cause of absenteeism in the nations war plants.

Andrew Court of Detroit, economist of the General Motors corporation, told the 500 delegates to the meeting earlier that the trend of serious illnesses, those lasting a week or more, has not been rising. "And to whatever extent short-term sickness accounts for the increase in absenteeism, it is a sort of sickness to which workers are particularly susceptible just after payday and on week-ends," Court asserted.

Upper Huntingdon

Upper Huntingdon—Miss Sadie Slaybaugh, who had spent the winter months at the home of Mr. and Mrs. Guy Martin, of near Shippensburg, and Mrs. and Mrs. Samuel Slaybaugh, of York, has returned to her home at this place.

The Rev. Laverty and daughter, Miss Grace Laverty and Mr. McFadden, of Harrisburg, and Paul Mortorff and children, Boiling Springs, spent Sunday at the home of Mr. and Mrs. Calvin Mortorff.

Laverne Starnes, of Aberdeen, Maryland, was a week-end visitor at the home of his parents. The following attended every day during the month of March at Miller's school: Nelda Asper, Howard Spertzel, Irene Lobaugh, Helen Spertzel, Mildred Miller, Lorene Leier, Billy Galloway, Genevieve Asper, Miriam Leier, Grace Lobaugh, Fred Spertzel, Melvin Lobaugh, Harold Leier, Herman Leier and Ivan Leier. Miss Emma Jean Funk is the teacher.

Bonneauville

Bonneauville—Corporal Roy Gebhart, of Rhode Island, is spending a furlough of several days with his father, H. N. Gebhart.

Mr. and Mrs. Gerald Groft, of York, spent Sunday with the former's mother, Mrs. Mary Groft. Mr. and Mrs. Allen Weishaar, Mrs. Ray Weishaar and Mr. and Mrs. John Weaver and family visited relatives in Harrisburg, Sunday afternoon.

Charles Weaver, of York, is spending some time with his brother and sister-in-law, Mr. and Mrs. John I. Weaver.

Mr. and Mrs. Bernard Gebhart and daughter, of York, visited Mr. and Mrs. Thomas Gebhart and other relatives here Sunday.

Workers in a Michigan refinery fixed up a very low, false door leading to the pay office. On it is inscribed, "You will learn to duck lower if you don't buy a Bond."

Fairfield

Fairfield—Mr. and Mrs. John Beach, Long Island, New York, announce the birth of a son, John Wills Beach. Mrs. Beach is the former Miss Elizabeth Wills, daughter of Mr. and Mrs. C. A. Wills.

A wedding reception was held Friday evening at the home of Mr. and Mrs. Charles Cluck in honor of Corporal and Mrs. James Cluck. About 80 guests were present. Corporal Cluck returned to duty at Camp Gordon Johnston, Florida, on Sunday. Mrs. Cluck will remain with her parents-in-law for some time.

Sergeant Jacob Cluck is spending a five-day furlough with his parents, Mr. and Mrs. Norman Cluck. Sergeant Cluck is stationed in Norfolk, Virginia, and is serving in a coast artillery anti-aircraft battery.

Private Eugene Shindedecker stationed in Camp Maxey, Texas, is spending a ten-day furlough with his parents, Mr. and Mrs. Charles Shindedecker.

Sunday guests of Mr. and Mrs.

Charles Shindedecker were William Shindedecker, of Waynesboro; Mr. and Mrs. Webster Loman, of Baltimore, and Mr. and Mrs. Eugene Helman, of Chambersburg.

The Ladies' Auxiliary of the fire company holds its regular monthly meeting Thursday evening at the home of Mrs. Millard Stoner. In the absence of the president, the first vice president, Mrs. Edward Hahn, presided. It was decided to hold a card party at the fire house Friday evening, April 30. The proceeds will be used to paint the kitchen of the fire house.

E. H. Slaybaugh, Penns Grove, New Jersey, was a visitor in town on Friday.

The fire company answered a call at the home of Harry Sease Saturday morning. On Tuesday afternoon the company was called to the Thompson farm along the Fairfield-Ortanna road. Both were chimney fires.

Fraud Sentence Is Vacated By Court

Pittsburgh, April 15 (AP)—A two-year prison sentence imposed on David H. Stern, who pleaded guilty to mail fraud in a \$200,000 whisky certificate fraud case, was vacated yesterday by federal Judge R. M. Gibson, on a plea of seven creditors.

The creditors said Stern was engaged in salvaging scrap metal and lumber for war plants and might be able to repay some of his losses. Assistant U. S. Attorney George Mashank said the government was not opposing the decision.

Stern was president of the defunct Monongahello Rye Liquors, Inc. and Fry and Mathias, Inc., distilling firms.

Kauffman, Betty Landis, Merle Shindedecker, Mary White.

Wednesday evening, May 19, the high school band will present its annual spring concert. At the same time an art exhibition will be presented by the members of the high school and grade school art classes.

LITTLE HOPE IS SEEN FOR EARLY CHANGE ON GAS

Washington, April 15 (AP)—Little hope was seen in official circles here today for an early change in gasoline rationing regulations for western Pennsylvania.

Petroleum Administrator Harold L. Ickes, in refusing a request some time ago that 25 counties there be removed from the eastern rationing zone and placed in District 2, where coupons would be worth four gallons each, promised to look into the situation again today.

A spokesman for Ickes however, sidestepped an inquiry about the situation, saying it has been "under continuous study" and "would be watched closely."

Heavy Army Demands

Oil circles heard that heavy demands for immediate exports for the armed forces has complicated the eastern seaboard's situation.

Meanwhile, representatives of a number of Pennsylvania communities have renewed the request for removal from the seaboard zone. Four Mercer county towns, all three miles from the Ohio state line, were removed from the zone yesterday.

Rep. Weiss (D-Pa.) earlier this week introduced a resolution in the House calling for a congressional investigation into the situation.

Residents of western Pennsylvania contend their district produces more gasoline than it consumes and that scarcity of transportation facilities makes it impossible to ship all of the excess fuel to gasoline-starved states.

Miners "Like" Some Angles Of 6-Day Wk.

New York, April 15 (AP)—Thomas Kennedy, secretary-treasurer of the United Mine Workers and union spokesman at the anthracite wage negotiations, says the government's guaranteed six-day work week plan proposed at the bituminous conference "has some angles which we would like to consider favorably."

He made this announcement yesterday after conferees for the UMW and anthracite operators discussed the plan informally. Contract discussions continue today.

Kennedy said the plan guaranteed 313 work days annually plus 26 days of overtime and added, "as it is now we're not sure of anything."

Federal authorities have not yet spoken to anthracite negotiators about the plan said J. B. Warriner, president of the Lehigh Navigation Coal company and operators' spokesman.

Coke Production Will Be Studied

Uniontown, Pa., April 15 (AP)—Recognizing the need for more high-grade metallurgical coke from the Connellsville Coke region, the Bureau of Mines of the Interior department announced a conference will be held in the courthouse here tomorrow night.

Invitations were sent to 63 oven operators representing the 77 bee-hive coke plants in the area, largest producers in the nation. The 1942 output was 8,221,000 tons compared with 3,057,825 tons in 1940.

DISEASE CLAIMS SEVEN

Wilmington, Del., April 15 (AP)—The death toll from spinal meningitis this year stood at seven today, the latest victims being Nathaniel Clifton, 66, and Francis E. Spence, 20. Meanwhile Mrs. Julia Jester, 54, was admitted to Wilmington hospital seriously ill with the disease.

OKAY DEMAND FOR 2ND FRONT

Harrisburg, April 15 (AP)—A second front in Europe "within the shortest possible time" and coal miners' demands for "substantial upward wage adjustments" were approved by the Pennsylvania Industrial Union Council convention, due to end today.

The state CIO organization called on President Roosevelt yesterday in a resolution "to take the necessary steps for the carrying through of the decisions of the Casablanca conference" so that a victory over Hitler can be won this year, and pledged members would "intensify our exertions for maximum production" of implements of war.

The endorsement of miners' wage demands also urged the "rank and file of miners" to demand that John L. Lewis end "his defeatist attacks on key government war agencies" and declared miners should receive partial to total pay—wages beginning and ending at the entrance of mines.

The convention, which continued its study of wartime problems at the closing sessions, also approved resolutions calling on local CIO bodies "immediately to set up organizations for political power" and urged international labor unity among American, British and French unions.

Schedule Hearing On Mine Inspection Law

Harrisburg, April 15 (AP)—The Republican House leadership today scheduled a closed hearing on a bill requiring state inspection at least once every six months of all coal mines employing two or more persons.

"We are going to recommit the bill to committee for a hearing because of strong opposition to the proposal," declared one leader who asked that his name not be used.

Rep. Joseph P. Bradley (D-Northumberland) claims independent miners are opposing the measure because shortage of materials will prevent them from keeping mines in shape to pass state inspections.

OBJECT TO C. O.'S

Wilkes-Barre, Pa., April 15 (AP)—A reported plan to send conscientious objectors to China is "an insult to every man in the armed services," according to Col. Thomas H. Atherton, retired commander of the 109th Field Artillery. He said efforts are being made to arouse sentiment of patriotic organizations against the proposal which National Selective Service officials reportedly are considering.

CONSTIPATION HAD ME DOWN

Constipation really had me on the ropes. I'd take a medicinal laxative and get relief — but soon, the old trouble would return all over again.

It was constipation due to lack of "bulk" in my diet—the kind so many folks suffer from. So—I began eating KELLOGG'S ALL-BRAN regularly. It's a swell breakfast cereal, and it got directly at the cause of my constipation and corrected it.

If your constipation is due to lack of "bulk," why don't you try ALL-BRAN? Eat it regularly, drink plenty of water, and—"Join the Regulars"! Made by Kellogg's in Battle Creek, Michigan.

FOUR BILLIONS ALREADY LISTED IN 2ND WAR DRIVE

Washington, April 15 (AP)—Americans today were on call to raise the sights on their help for Uncle Sam even as the intensive three-week 13 billion dollar War Bond drive had garnered more than an estimated four billion in the first three days.

The Treasury reports that 50 million people have bought bonds since they first went on sale before the war and that 26 million of them are steadily buying more through pay-roll deduction plans but—

Those deductions are averaging 9 per cent of the money being earned by workers.

Raise Percentage

Treasurer Morgenthau now says that percentage is not enough and that individuals should invest from 15 to 20 per cent of their earnings in war bonds.

This would mean doubling on a continuous basis the efforts now made by the workers to help the government finance the war for,

WMC Regional Head Resigns

Philadelphia, April 15 (AP)—Louis B. P. Rayeroff has resigned as director of the War Manpower Commission's third region for reasons of health, it was disclosed today. The region embraces Pennsylvania, New Jersey and Delaware.

Until a successor is appointed, the duties of the office will be administered by Alexander A. Liveright, assistant to WMC's executive director. Liveright is a son of Mrs. Alice F. Liveright of Philadelphia, state director of welfare in the second administration of former governor Gifford Pinchot.

while the present campaign has a 13 billion dollar goal, the sale of bonds will continue till war's end.

The government could borrow from the banks all the money it needs this year but Morgenthau has made it plain there are two strong objections to this:

1. It would mean sacrificing the government's "greatest dam against inflation." By "dam" he meant getting the public money into war bonds and out of circulation where excess cash is an inflationary threat.

2. This is a "people's war and the people should finance it."

Predict Action On Sunday Movie Bill

Harrisburg, April 15 (AP)—Final committee action next week on bills to legalize Sunday movies near military posts and to permit local option elections on Sunday bowling was predicted today by Senator A. H. Letzler, chairman of the Senate Law and Order committee.

The Clearfield county Republican said he had not been able to set a date for the next committee meeting because of Democrats' insistence this week on reading on bills in full but added:

"Things seem to be working out so that we can get together next week and get things moving." He was unable to say what action his group would take on the bills.

Previously, a tie vote in the committee kept both bills from appearing on the floor of the Senate.

Pvt. "Les" Gallagher Came Through Bombing With Bruised Shin Only Injury

LOCAL SOLDIER RETURNS FROM AFRICAN DUTY

Night bombing raids by enemy planes in Africa are very damaging to one's shins, Private Charles G. "Les" Gallagher, has decided.

The Gettysburg youth, who spent the week-end with his parents, Mr. and Mrs. W. H. Gallagher, Hanover street, found that out one night in a city in North Africa, when enemy bombers started to drop their loads in his vicinity.

He knew there was an underground bomb shelter with a steel and concrete top a short distance away. He headed in the blackness for the shelter and fell over a steel coupling uniting two flat-bottomed trucks used to transport materials. He said today he still has marks to show for the accident.

Drove Jeep
Private Gallagher, who expects to receive his discharge from the Army the end of this week on age, was drafted January 1, 1942. He will return to his former position with the Highway express lines after his discharge. He has been stationed at Fort Hamilton, Brooklyn, New York, since returning from North Africa last Tuesday. He obtained a three-day leave to visit his parents here.

From New Cumberland he was sent to Camp Wheeler, Georgia, and from there to Fort Hamilton, before embarking for North Africa. At Fort Hamilton he was transferred from the infantry to the quarter-master corps. While enroute to Africa he was changed, first to ordnance and then to transportation. For two months, up to January 1, he drove a jeep for officers in Africa.

Saw Bombing, Sniping
He saw some bombing, the worst one when he hurt his shins, and some sniping while in Africa. His outfit arrived five days after the first wave of troops went into Africa and German sympathizers were still shooting from houses at American troops. He was driving officers through a town when a sniper started shooting at men about 100 yards from them.

He says he saw the men "get" the sniper before he did much damage. Among the officers he saw in Africa was General Eisenhower, whom he describes as a "very good looking and very military looking man." American troops in Africa, Private Gallagher said, consider Eisenhower the greatest general of all time.

The cities in Africa are among the most beautiful cities in the world, he said. While he expected to find much sand and desert, the country along the shore was much like sections of this country, with the real desert some distance from where he was located.

The natives seemed very friendly to Americans, and the native children learned two English words in a hurry, "chew-gum" and "bon-bons," for candy, he said. American soldiers gave the youngsters as much "chew-gum" and "bon-bons" as they could spare, Gallagher said.

During his tour of duty in Africa, Gallagher met two Gettysburg soldiers, Major Stewart Moyer and Joseph Eden.

Harrisburg, April 15 (AP)—A peace conference after the war in Independence Hall, Philadelphia—"The great shrine of liberty"—was urged in a resolution presented in the House by Rep. Thomas B. Stockham (R-Bucks). The House was asked to call on Congress to extend the invitation.

President Opens Second War Loan Drive

Asking the American people to observe the slogan "They give their lives. We lend our money," President Roosevelt launches the second war loan drive by selling John H. Pyle, White House messenger, (left) a \$25 bond. Treasury Secretary Henry Morgenthau (right) and members of the White House staff gather around for the ceremony. The drive will begin nationally April 12.

Mine Operators Reject Wage Offer

New York, April 15 (AP)—Northern Appalachian bituminous mine operators have rejected a government proposal that a six-day work week with time and a half for the sixth day be guaranteed the nation's 450,000 soft coal miners. Submitted by the Labor department in a move to break the deadlocked bituminous wage conference, the proposal, Secretary of Labor Frances Perkins announced in

Washington Tuesday, has been accepted by John N. Lewis, United Mine Workers president, as "a basis" of settling the union's dispute with the operators.

She added that the operators thus far have turned down the proposal but said she had "great hopes" that ultimately they will accept it.

The government's suggestion was advanced through Dr. John R. Steelman, head of the United States Conciliation service, who announced at a general press conference Tuesday that the northern

wage conference "seems completely deadlocked."

TO PRINT WAR RECORD
Harrisburg, April 15 (AP)—Printing of the state historical commission's "Pennsylvania's First Year at War" was asked in a resolution offered in the House by Reps. J. P. Moran (D-Allegheny) and John R. Haudenschild (D-Allegheny). The job would be done by the property and supplies department.

It is estimated that New York city has 1,670,000 telephones.

Arrival Of Father Restores Memory

Philadelphia, April 15 (AP)—The sight of her father broke an amnesia spell Wednesday for an attractive 16-year-old Jamaica, L. I., girl who walked into a hotel powder room last night and asked an attendant to "please help me—I don't know who I am or where I came from."

The reunion of June Stern and her father, Albert D. Stern, well-to-do New York manufacturer, occurred at Jefferson hospital where she spent the night. She had been missing since she failed to arrive Tuesday at a private school in Forest Hills.

"Daddy!" cried the young woman as her father entered her hospital room, awakening her from sleep. Then she burst into tears.

A gold signet ring set with diamonds and sapphires, and the name "Stern" in her coat provided detectives with clues to her identity after questioning Tuesday night. They sent her description to Jamaica police.

A spokesman for the family said a chauffeur drove Miss Stern to a subway at 8:15 a. m. Tuesday.

KIDNEYS MUST REMOVE EXCESS ACIDS

Help 15 Miles of Kidney Tubes Flush Out Poisonous Waste

If you have an excess of acids in your blood, your 15 miles of kidney tubes may be working. These tiny filters and tubes are working day and night to help Nature rid your system of excess acids and poisonous waste. When disorder of kidney function permits poisonous matter to remain in your blood, it may cause nagging backache, rheumatic pains, leg pains, loss of pep and energy, getting up at night, swelling, puffiness under the eyes, headaches and dizziness. Frequent or scanty passages with smarting and burning sometimes shows there is something wrong with your kidneys or bladder.

Kidneys may need help the same as bowels, so ask your druggist for Doan's Pills, used successfully by millions for over 40 years. They give happy relief and will help the 15 miles of kidney tubes flush out poisonous waste from your blood. Get Doan's Pills.

East Berlin—A service flag in honor of the forty-three young men who have left here for the armed forces has been placed in the square. The local Lions club sponsored the flag.

Mr. and Mrs. Russell Shetter, of Carlisle, visited at the home of Mr. Shetter's sister, Mrs. George Moul, on Thursday.

Mr. and Mrs. Harrison Fourham and their three children moved this week from York county to the property of Mrs. Jere Lau, Harrisburg street, the former home of George Elssner and family.

Mr. and Mrs. Lloyd A. Bosserman have returned to their home in Kenmore, New York, after visiting his mother, Mrs. Laura S. Bosserman, for several days.

Mrs. Ralph Linebaugh and son, Larry, have moved to East Berlin R. 1, from Shiloh. Ralph Linebaugh, son of Mrs. Lucy Linebaugh, of this

place, is in the Army.

Willis A. Myers, East Berlin R. 1, had as a guest this week his son, Wilbert Myers, of Harrisburg.

In order to give students an opportunity to assist with spring planting, the local public school and high school have changed their hour of opening from 9 a. m. to 8:30 a. m. and their dismissal hour from 4 p. m. to 3:30 p. m.

These members have been formed into committees to serve at Holtzschwamm Union church: Information on baptisms, marriages, church membership and funerals, Curvin Baker, Jonas Gruver and Carl Stambaugh; ushers for the coming three months, Carl Stambaugh and Guy Straley; those in charge of Communion services, Jonas Gruver, Ivory Stambaugh, Charles Stevens and Dwight Trostle; finances, Curvin Baker, Carl Stambaugh and Nelson L. Weaver.

George Hoffman, who has been in the armed forces, has been honorably discharged because of over age, and

has returned to farming at his home on route one.

Mr. and Mrs. George L. Gibbs and daughter, Marlene, with Mrs. Paul Wertz, of York, and Miss Bertha Myers, of Lenoxyne, were guests during the week, at the home of Mr. and Mrs. William Gibbs, Sr., route one, where Mrs. Gibbs' father, George Wagner, observed his ninety-ninth birthday recently.

Walter Eberhardinger, of the Navy, has been on leave this week with his relatives on route one.

The property on route one, recently purchased from the estate of the late Mrs. Jane Sheaffer by Ernest Hoke, is now occupied by Mr. and Mrs. George Heagy and family. P. C. Lester Gibbs, son of Mr. and Mrs. William D. Gibbs, Sr., is now stationed somewhere in the south Pacific.

Choose the Spring Months for Needed Health and Business Trips

Correct timing takes on new importance these days — particularly when it helps vital wartime transportation. When a trip for well-earned rest or recuperation or for business is necessary, time it right — go before the mid-summer rush when travel is heavily concentrated in a two-month period, or postpone your travel until after this peak season. By helping to even-up travel, you make it possible for every bus seat to work full time on every trip.

Buses will serve you better, also, if you pick mid-week days rather than week-ends — and choose, from the many daily schedules, the buses which usually have more seats available. It's smart to get this and other wartime travel information from Greyhound in advance.

1918 SABOTAGE LAW INVOKED TO PROTECT TIMBER

Harrisburg, April 15 (AP)—In a drive against forest fire incendiaries, Pennsylvania invoked the 1918 Federal sabotage law today to conserve timber for war needs.

Secretary James A. Kell of the Department of Forests and Waters warned that firebugs face prosecution under the act and added:

"The department intends to enforce the state and federal laws. We are in this war to win and because timber is such a vital commodity we do not intend to permit saboteurs to block our path for even one moment."

Kell disclosed nearly a score of investigations into forest fires are under way in various sections of the state and said sufficient evidence has been collected in some cases to warrant immediate charges through the Federal Bureau of Investigation.

"The Federal sabotage act of 1918 includes forest products and standing timber in its definitions of various war materials," declared the secretary.

"It is also to be assumed that the person who willfully burns grass or brush and fails to confine that burning to what he intended to burn, permitting that fire to reach standing timber, faces investigation and possible stiff sentences under state laws."

The sabotage act carries a penalty of \$10,000 or 30 years imprisonment or both and the state laws provide penalties nearly as heavy.

Carelessness a Cause

Kell said his department's chief forest fire warden, George H. Wirt, has reported several incidences where persons were seen starting fires.

One, he said, involved a young man running through a state forest with lighted torches and another throwing burning waste from a moving automobile into brush alongside a timber stand.

Most forest fires this year, the secretary reported, have resulted from runaway grass and brush fires. Thousands of acres have been destroyed by careless rural residents and some victory gardeners preparing land for planting, he added.

Guldens

Guldens—The twenty-fifth wedding anniversary of Mr. and Mrs. Lloyd Herman was observed with a family gathering at their home Sunday.

Mr. Herman, son of Mr. and Mrs. I. O. Herman and Miss Ethel Reese, daughter of the late John Reese and Mrs. Reese, were united in marriage in Gettysburg, April 13, 1918. The ceremony was performed by the Rev. J. B. Baker, at that time pastor of St. James Lutheran church. Those present at the celebration, Sunday, were Mr. and Mrs. Herman and their son and daughter-in-law, Mr. and Mrs. John Herman, and their grandchildren, John Lloyd and Janet Herman, Mr. and Mrs. Ira Herman, Mrs. John Reese, Mrs. Harold Myers and daughters, Ethel and Barbara, Mr. and Mrs. John Schol and daughter, Constance, Corporal and Mrs. Jacob Watrenfeltz and son, Wayne, Mrs. Leroy Rife, the Misses Margaret and Marie Reese and Iris Davis.

Mr. and Mrs. Henry Blye and daughter, Miss Frances, who sold their home along the Lincoln Highway recently, moved to Fourth street, Gettysburg, on Saturday.

Tech. Sgt. Frenchie Flynn, Indian-tongued Gap, spent the week-end with his wife at the home of his parents, Mr. and Mrs. John Flynn.

Mr. and Mrs. O. J. Kuykendall had as their guest during the week-end their daughter from Carlisle.

Mrs. M. Cios and family, Philadelphia, visited local friends on Sunday.

Mr. and Mrs. Lloyd Shultz spent the week-end in Emmitsburg as the guests of the latter's parents.

Mrs. Herman Kuykendall and son, of Carlisle, spent the week-end with Mrs. Kuykendall's parents, Mr. and Mrs. Frank Martin.

New Oxford—A class of young people will be received into the First Lutheran church on Palm Sunday morning by confirmation. There will be Holy Week services on the Tuesday, Wednesday and Thursday after Palm Sunday at 7:30 p. m. A Communion service will take place at the Holy Thursday service. The Easter morning service will also be a Communion service. Baptism will take place Easter Sunday afternoon, while the church school will present a pageant Easter Sunday evening.

John F. Melhorn, formerly of this place, has returned to Charleston, West Virginia, after spending the week here at the home of Mr. and Mrs. A. F. McCadden.

A meeting of the Mite society of St. Paul's Evangelical Reformed Church was held Tuesday evening

to complete plans for a chicken soup supper and food sale to be held at the church property on Saturday.

The Missionary society of the First Lutheran church met Tuesday evening at the parsonage. Mrs. George E. Sheffer and Mrs. Harry Emlet were leaders.

Mrs. Leroy Rife entertained the local Ladies' 500 club at her home Tuesday evening.

Mr. and Mrs. Clair Mumper returned Sunday from their wedding trip to New York. The couple will spend some time at the home of the bride's parents, Mr. and Mrs. Ralph Kopman, prior to going to housekeeping.

Mr. and Mrs. C. R. Percy moved from Philadelphia over the weekend and are now occupying the former Harry Weikert property near town which they purchased several weeks ago.

Marie Schrader, of the WAACS,

daughter of Mr. and Mrs. Charles Schrader, is now stationed at Fort Devens, Massachusetts.

The local Defense Council met Monday evening at the town hall. Motion pictures of instruction on home defense were shown. The principal speaker was Prof. Robert Sheady of the local high school faculty, who has been attending special defense classes in Lancaster.

Miss Lottie Hulick of the public school faculty, is reported improved after an illness of about two weeks which has kept her from teaching. Marks Wolford, who recently purchased the Diehl property on Lincolnway west, is now residing there. He has sold his Carlisle street property to Miss Mabel Lingg, of Lincoln Heights.

Action On Tax Plan Predicted

Pittsburgh, Pa., April 15 (AP)—U. S. Senator James J. Davis, remarking that the "will of the people will prevail," predicted "effective" congressional action on the pay-as-you-earn income tax plan.

The senator, here to address a Pan-American Day dinner Wednesday night, said in a statement:

"The pay as you earn tax plan still remains one of our outstanding domestic issues. Nearly all of the people with whom I have come in contact, and almost all of the many

property, purchased recently by Mr. Berwager.

Private Donald Sieg has returned to Washington, D. C., after spending a brief furlough with his relatives here.

thousands who have written my office, have voiced the hope that this plan will be adopted.

"It is most essential to the morale and welfare of our people that this matter of income tax collection be settled at the earliest possible date, so that our citizens may know how much they shall be required to pay, and when and how such payments are to be made."

MEDICO SAYS WARFARE FOR YOUNGER MEN

A United States Army Base in Scotland (Correspondence of The Associated Press)—Lieut. Colonel John D. Boyer, veteran medical officer who went through five major offensives in the last war, reared back in his swivel chair and ruefully confessed he was where he belonged in this one—behind the fighting front.

"Lord I'd rather be in Africa with those boys but there are lots of things I can't do today," said this 54-year-old post surgeon from Lebanon, Pa.

"That really is a confession on my part," the greying, bespectacled colonel added. "This is a young man's war; you see them coming and you see them going and you come to realize that."

"The 38-year-age limit? I'm all or it."

Courage of Youth
"When you start thinking about the chances you're taking—as an older man does—you're not good for anything."

"Take a young sergeant, tell him to wipe out a machine-gun nest and he wipes it out or busts a gut trying."

"But take an old man; first he assesses the situation and modifies his plans. Or look at it this way. When I'm going somewhere I want to know when I'm leaving, when I'll get there and by what means."

"That, son, is age and age hasn't any business up there where you act and think later."

Anyway, the colonel has seen his share of action. He was in the thick of the Argonne, Chateau Thierry and the Marne and was in two other big pushes in World war one.

He served with the 28th Division, Pennsylvania National Guard, from 1917 until he was detached for other assignments last year.

Health Clinics For War Workers Asked

Harrisburg, April 15 (AP)—A \$200,000 appropriation for establishment of medical clinics in all sections of the state, to provide health facilities for war workers, is proposed in a bill under consideration in the Pennsylvania Legislature.

Senator Elmer J. Holland (D-Allegheny) introduced the measure, which calls for a Bureau of Health Clinics under the state health department to administer the suggested program.

Sales of baby chicks as Easter presents would be eliminated under a bill introduced by Senator Jacob W. Carr (R-Butler) which would prohibit sales of chicks or ducklings in lots of less than a dozen.

Another new Senate bill would authorize issuance of baccalaureate degrees to students in state-aided colleges who enter the armed forces when they have less than five months remaining of their regular collegiate courses—James A. Getz (R-Allegheny).

Enemy Patents Offered For Sale

Detroit, April 15 (AP)—Fifty dollars buys a stake in the world's biggest jack-pot, the potential billions in enemy alien patents seized by the United States.

The game is under way here this week, in Mecca Temple, on a long table set up by the alien property custodian and the American Chemical society. On the table are about 10,000 enemy patents.

In the first two days of this meet-

Hot Towels and a Good Oil Rub Best—Try It For Yourself—At Our Expense

Tonight on your way home get a bottle of Moore's Emerald Oil from the drug store. Before bedtime apply a good hot towel just as hot as you can bear it and keep it on and hot for about 5 minutes to open the pores. Dry thoroughly then apply a little of the oil and rub on briskly with a good massage. It will disappear. Cover up and go to sleep. In the morning for good measure another oil application—no hot towel! You'll get the surprise of your life. You'll be amazed at the blessed relief you get—back on the job happy and much more comfortable. Keep it up for a few days.

Thousands of bottles are sold annually for tired aching feet and legs. You can get Moore's Emerald Oil at any drug store. Satisfaction guaranteed or money back.

SAYS GOODS OR ARMIES MUST MOVE IN FUTURE

By TOM REEDY

Washington, April 15 (AP)—Francis B. Sayre, special assistant to the Secretary of State, told Congress today the world of the future must exchange its goods on a broad trading basis because "if goods can't cross national frontiers, armies will."

Sayre, high commissioner to the Philippines when the islands fell to the Japanese, testified before the House Ways and Means committee in behalf of the administration's request for renewal of reciprocal trade agreements with 27 nations. The agreements expire in June.

"In spite of all his efforts, Hitler could not make Germany self sufficient," Sayre asserted. "He was forced to cry out 'Germany must export or die.'"

International Security

Replying to criticism of some Republican committee members that the trade policy with its lower tariffs hurt American industry and agriculture, Sayre declared "the embargo policy is and always will be injurious to labor for it destroys markets. The practical way to obtain increased markets is to widen the field of trade both at home and abroad."

Warning that international security was involved, Sayre told the committee that these steps must be taken:

Develop methods for organized international cooperation and for making political adjustments without resort to violence.

Find a practicable way to reduce and control armaments.

Create an organization to enforce peace with some form of an international court of justice.

Depends on Free Trade

Make sound arrangements for stabilizing currencies.

"All of these, however, are not enough," he declared, adding that security also "depends upon increased freedom in foreign trade."

If some nations are denied access to necessary raw materials and markets "they will feel forced to fight," he said, asserting that "lowered trade barriers and freedom from trade discriminations are essential parts of the only foundation upon which lasting peace can be built."

The Roosevelt-Hull trade treaty policy, he said, has overcome such barriers and discriminations.

Axis Barbarity Welds Americas

Philadelphia, April 15 (AP)—Axis barbarity has brought 31 Western Hemisphere republics "into closer harmony than ever before," David Moretzsohn, Brazilian consul, said yesterday.

Moretzsohn told a Pan-American luncheon in Portuguese that "today Pan-Americanism is a reality. The nations of America are bending all efforts to recover the peace stolen from us by our enemies overseas."

Another speaker was Carlos Bergruido, Jr., Panamanian consul.

Could Finish Japs Quickly With More Planes, Hero Says

Philadelphia, April 15 (AP)—The United Nations could drive the Japs from the south Pacific with "the planes produced in this country in one month," says Capt. Fred P. Dollenberg, who came home yesterday with five decorations won in that area.

"We'd clean out Rabaul harbor, their stronghold, and the rest would be easy," said the former St. Joseph's college football player, who is credited with destroying 17 Zeros and five ships.

He added that while the boys "are doing a lot of beefing" because they don't get more planes, "they understand that the Army is doing its best to supply so many theatres of war."

Aphrodite's Wedding Brings Bigamy Action

Philadelphia, April 15 (AP)—Accused by his wife of having married a dancer he met while on government service in Panama, Dr. Albert Samuelli, 36-year-old dentist, was held in \$2,000 bail today on a charge of bigamy.

Mrs. Ruth L. Samuelli, 33, told Magistrate Nathan Belfel that her husband married Aphrodite Morfetes, 24, in Chester, Pa., last March 3. She said she met him and the former night club dancer in Baltimore shortly after the government informed her Samuelli had returned to the United States.

The dentist later came to her home and struck her, after which she took their two children to live with relatives, Mrs. Samuelli said in filing an additional charge of assault and battery.

HISTORY NOTE -- JEFFERSON WAS FOUNDER OF GOP

Washington, April 15 (AP)—Was Thomas Jefferson a Republican or a Democrat?

This was a question discussed by two Pennsylvanians on the floor of the House as the nation observed the 200th anniversary of Jefferson's birth.

Hugh D. Scott, Jr., (R-Phila.) hailed the nation's third president as "the founder of the Republican party."

Herman P. Eberharter, Pittsburgh Democrat, replied that Scott's claim was "as farfetched as it possibly can be," and suggested that "if the Republican party wants to really and wholeheartedly embrace the principles of and the ideals and the policies of Thomas Jefferson they can very well do so by joining the Democratic party."

Said Scott: "For some years others wore his (Jefferson's) mantle and paraded his ideas. But advocates of the great central power do ill to his memory by asserting kinship with his standards. He was not of their ilk."

Eberharter answered: "I note with some regret that some of those who

Legislators Work During Filibuster

Harrisburg, April 15 (AP)—The bill box score during the second day of the Democratic legislative filibuster shows:

The Senate in a seven and one-half hour session passed 17 bills, postponed action on 16 others, re-committed the parole ripper,

paid tribute to Thomas Jefferson on the floor today took occasion to make an attack on the present administration, claiming in effect that it had forgotten some of the Jeffersonian principles. I submit that this is not the occasion to bring into this debate any matter of partisan politics.

"The Republican party, following that line, is attempting to claim Thomas Jefferson as its apostle."

The Beautiful New "Lovelite"

ENGAGEMENT RING

IN 14KT. YELLOW AND WHITE GOLD

WHEN you see this ring you will agree that it's as smart as a page from a fashion magazine... as romantic as a June night... yet surprisingly enough the price is very low. We pride ourselves in the fact that we can offer such treasures... such values as this. Actually this fine ring is our "pet" because we created it... selected the diamond for it, and priced it at far less than usual for various reasons, mainly to present to young couples in love a ring that does not require a large income... a ring that is the very symbol of young, true love... a ring that will prove conclusively our right to claim the diamond-value-leadership in this area.

The ring shown is made of 14K yellow gold and is set with a distinctive, brilliant, genuine diamond. We'd like you and your sweetheart to drop in together and let us show it to you. We know you'll both be delighted.

And remember, our full exchange privilege grants you the right to exchange this diamond for a larger one at any time and we'll allow the full amount paid.
